

CV CHRISTMAS FOR KIDS

www.cvchristmasforkids.com

To Whom It May Concern:

As you may be aware, Due to COVID -19, Santa's workshop is unable to open this year. Island Hearts Of Hope has stepped in with the goal of filling the gap for children in need through the collection and delivery of NEW TOYS. We believe we can make this happen and deliver Christmas, but we need the help of many to do so. In order to do this in a COVID safe manner and limit the potential for exposure, we are looking for as many locations as possible to assist us in collection of NEW TOYS.

What this means for you, Exposure on our social media sites, (Island Hearts Of Hope) as well as our website www.cvchristmasforkids.com as well as media print and mention when possible. The goal is to also increase your store sales as shoppers will potentially purchase NEW TOYS to donate while already shopping in your store.

We will arrange with you weekly or bi weekly pick up with one of our committee members. Our members who consist of just 5 people, must adhere to added safety measures. Such as social distancing, wearing a mask, changing their masks and sanitizing between places, as well as regular temperature checks. With all of us being business owners ourselves, we know how important the health and safety is for you and your staff during this time. We want to assure you that we take it very seriously and will be doing everything possible to minimize potential exposure for you, your place of business, as well as ourselves. By following these guidelines we believe that we can still deliver Christmas to children in need this year within the Comox Valley

We hope that you will be able to join us in our efforts to make Christmas happen for kids in need. If you are able to provide a space for donations to be dropped off and or donations for the kids we would be extra grateful. We know we have big shoes to fill with the work that Santa's workshop has done in previous years, but we believe as a community we can come together to make this happen in a COVID safe manner.

Kind regards,
