## No Utility or Ongoing Water Service

Knockout Water Delivery is not a public water utility and does not provide ongoing water service. Knockout provides bulk water transportation and delivery services only, as requested by the customer.

Nothing on this website should be interpreted as an offer of continuous water supply, utility services, or guaranteed availability.

---

## Water Source and Handling

References on this website to water sourcing describe water obtained from approved public water systems, depending on delivery location, availability, and operational requirements.

Knockout makes no representations or guarantees regarding the origin, consistency, quality, potability, or suitability of water for any particular use after delivery. Responsibility for the water terminates at the point of discharge, when water leaves Knockout's delivery equipment.

## Customer Responsibility After Delivery

Customers are solely responsible for all decisions and actions related to:

- Storage
- Treatment
- Filtration
- Testing
- Distribution
- Discharge
- End use of water

Conditions after delivery, including equipment, plumbing, tanks, wells, pools, hot tubs, and site conditions, are outside Knockout’s control. Customers assume all risks associated with water use beyond the point of discharge.
