LIVES LOST TO DOMESTIC VIOLENCE-RELATED INCIDENTS

MILWAUKEE 2025

Know: Strangulation Risk

Non-fatal strangulation increases the risk of future homicide by over **750%**.

([Training Institute on Strangulation Prevention](#))

African American women in Milwaukee ages 25 - 44 face one of the highest homicide disparities in the nation - she is 20 times more likely to be killed than White women.

(B. Waller et al. (2024), Columbia University)

And...89% of these women are killed with guns. (T. Gillum et al. (2025))

With Deep Gratitude... We extend our deep and heartfelt appreciation to **Patrice Burrell, Laurette Hargrove, and Silvia Gelvez** for their caring and dedicated work in constructing the **2024 - 2025** Memorial Project. Special thanks and gratitude to **Dr. Marie Sandy**, UWM Institute For Systems Change and Peace Building, **Silvia Gelvez**, and **Daniel Monge** for their unwavering commitment and dedicated work on constructing the previous **2022 - 2023** Memorial Project.

Thank you! Your efforts helped us bring visibility, dignity, and remembrance to lives that must never be forgotten.

Know: Leaving Can Be The Most Dangerous Time

The risk of homicide increases significantly when a victim attempts to leave an abusive relationship.

Prior Abuse is a Warning Sign! ! !

Most domestic violence homicides are preceded by prior incidents of abuse.

([Centers for Disease Control and Prevention](#))

What Violence Costs Us All...

Domestic violence is not only a human tragedy - it is a public health and economic crisis. Every life lost to domestic violence in Wisconsin carries an economic cost of over \$2 million dollars.

Non-fatal shootings cost more than \$644,000 per incident.

(NICJR (2024) Cost of Gun Violence Milwaukee, WI)

72 Lives Lost

During 2024 - 2025, 72 lives were lost to domestic violence-related homicides in Milwaukee, Wisconsin. This ***Silent Witness Memorial Project*** honors those lives and calls us to action.

Can you feel the weight of the loss?

Domestic violence is preventable - and prevention requires all of us.
