BOLTON LE MOORS CAR CLUB

CHAMPIONSHIP REGULATIONS 2024

1.0 INTRODUCTION

1.1 Welcome

- 1.1.1 Welcome to the 2024 Bolton-le-Moors Car Club Ltd (BLMCC) Championships. The aims of the championships are to give every club member the opportunity to compete for an award, regardless of whether they are a competitor, a marshal or a social member, and as always to encourage involvement in and development of the club.
- 1.1.2 2023 saw another fantastic year for BLMCC, whose competitors managed to earn the club a respectable third overall in the ANWCC inter-club championship.
- 1.1.3 BLMCC wishes all competitors, marshals and social members the best of luck for the 2024 championship. Without your continued support the club would not have been able to grow to the size it is today.

1.2 General Regulations

- 1.2.1 The championships will run in accordance with the General Regulations of Motorsport UK, incorporating the provisions of the International Sporting Code of the FIA, these Championship Regulations (CR) and any written instructions that the organising club shall issue throughout the year. In the case of any dispute, the English text of these CR will be binding.
- 1.2.2 These general regulations apply to all the championships.
- 1.2.3 The championships will run from 1st January 2024 to the 31st December 2024.
- 1.2.4 The championships are open to all full members of BLMCC. Registration will not be required.
- 1.2.5 To claim points, competitors must enter events under BLMCC and where event regulations allow, competitors must display current club logos on both sides of the car.
- 1.2.6 All points must be claimed by providing the relevant Championship Coordinator with a copy of the final entry list and results for the event within two months of the results being declared final. Where the coordinator obtains the results from another source e.g. Internet then they will award points to all BLMCC members starting the event. However, it is the competitor's responsibility to ensure that points are awarded for each event they enter. No points will be given after the two-month cut off.
- 1.2.7 Where four or more entrants who are BLMCC members start an event of Clubman status or higher a 'Best Bolton' award will be made to the highest placed competitor in the overall classification. In the event of a crew of two or more BLMCC members competing, all members of the crew shall receive a 'Best Bolton' award if applicable.

- 1.2.8 In the event of classes being amalgamated you may claim points for your original class. It is your responsibility to inform the championship coordinator if this applies to your results.
- 1.2.9 Current championship positions will be published on the BLMCC website.
- 1.2.10 The image of Bolton-le-Moors Car Club must be upheld at all times by entrants, competitors and their teams, both before, during and after events. Any entrant, competitor or person(s) and organisations associated with bringing any disrepute to Bolton-le-Moors Car Club will be regarded with disfavour and the matter will be presented to the committee for formal action.

1.3 Point Scoring

- 1.3.1 Points will be awarded for each event based on class positions using the following formula (unless specified otherwise):

-------------------------------	---
