

After the initial clearing project is complete if the original COE determination letter expires you can request an extension which will cover any annual maintenance clearing. We have included a copy of the letter that GCCDD got from the COE labeled attachment #3 example.

Attachment #3 pg1  
Example

*Galveston County Consolidated Drainage District*

P.O. BOX 607 • PHONE (281) 482-0404 • FAX (281) 482-8505  
FRIENDSWOOD, TEXAS 77549-0607

August 28, 2003

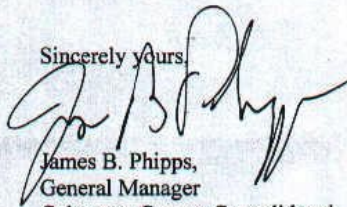

Mr. Doyle Caudil  
Excavation Technologies, Inc.  
P.O. Box 968  
Alvin, Texas 77512

Dear Doyle,

We received approval from the Galveston District of the U.S. Army Corps of Engineers (USACE) via Determination No. D-14995 to extending the selective clearing on Clear Creek. The approval is valid for 5 years from the date of the USACE letter (August 19, 2003).

A copy of the determination is submitted for your records

Sincerely yours,

James B. Phipps,  
General Manager  
Galveston County Consolidated  
Drainage District
