WOMEN'S SHELTER

OUR MISSION: *Providing care in a Christian home for women in transition.*

## TWO GRADUATES IN JANUARY 2021

On January 15th, 2021 (Herlinda), and January 30, 2021 (Annette), we honored two residents that completed their six month program at Hosanna Home. Each had struggles, and both had growth! There were many attendees at both graduations to recognize and celebrate the accomplishments of these ladies. Each gal gave her testimony of God's work in her life and gifts and food were a great part of the party! Each graduate receives a diploma and a butterfly necklace to commemorate their accomplishment.

*Therefore let everyone who is godly pray to you while you may be found; surely when the mighty waters rise, they will not reach him. You are my hiding place; you will protect me from trouble and surround me with songs of deliverance. Selah! I will instruct you and teach you in the way you should go; I will counsel you and watch over you.*

## CHRISTMAS BLESSINGS FROM THE LORD!

Christmas is a special time at Hosanna Home. There is always gifts and surprises galore as the Lord blesses our residents with a feeling of love and family. This year was especially precious as the residents were adopted by a wonderful family and gifted with special exuberant gifts. One asked for a new cell phone for when she graduated. Another got tires for her vehicle. Two others received vehicle repair work paid for. Things that we normally could never have provided. Only GOD can do such miracles. Everyone was very blessed!! We also were blessed by the BLING SISTERS!!!

## INCREDIBLE BLESSINGS FROM MOUNTAINSIDE COMMUNITY CHURCH

A lovely lady, named Kathyleen Bullard, called me one day from MountainSide Community Church asking how her women's group at the church could serve at Hosanna Home. Her team of gals wanted to help but didn't know how. So, we got together and discussed the options open to serve in this ministry.

These options include:

1. **Bible Teaching**
2. **Mentoring (Care Partners)**
3. **Esther's Closet Serving**

These didn't fit her team at this time, but we came up with having a "Pantry Shower," hosted by their ladies to our gals at Hosanna Home. They came to bless us on March 18th with two car loads of goodies. Amazing love....We are so grateful and blessed by their generosity!!!

## Parasol Tahoe Community Foundation Grant

*What's eight years newer and has 95,000 less miles than our old one?*

**Our new Honda Pilot that was provided as a grant to Hosanna Home to transport our residents to their appointments and church!**

**GOD IS GOOD! ALL THE TIME!  
HE BLESSES THROUGH HIS PEOPLE!**

## BETA SIGMA PHI A Caring Group of Ladies

Last October, we were contacted by a lovely group of ladies from a group called Beta Sigma Phi....They advised that they had a gift to bring us in the New Year. We truly had not heard of this lovely group of gals, but they meet together for fun, support and to help women's organizations. What a great idea!!! So, On March 25, 2021, Miss Marie and Miss Jeanne came to Hosanna Home with a beautiful check for \$500.00 from the Beta Sigma Phi gals. We are so very grateful for this blessing.

## ROOTED SERVICE WEEKS

Summit Christian Church has many people going through a new Bible Training called, "Rooted." During this special training, participants learn about the Spiritual Disciplines of the Bible. Rooted is a simple, proven method to build disciples. It is not just for new believers or new members; it's for the whole church. Rooted changes the way people are discipled and impacts holistic church growth while building, launching and sustaining healthy life-changing small groups in your church.

One of the areas that is highlighted is SERVICE. Here's what several of the Rooted Groups did to serve Hosanna Home:

Shared a Meal

Washed Windows

Brought Fellowship

Shared their testimonies & love

## BAPTISMS CONTINUE TO PRAISE THE LORD & BLESS US

We always hope and pray that every woman who comes to live at Hosanna Home will come to realize their need for Jesus in her life. It is such a blessing to watch the change that occurs when they actually make that connection with the Lord. Here's some of the most recent baptisms that occurred at Summit Christian Church for our graduates and residents.

**Annette baptized on 10/3/2020**

**Herlinda baptized on 10/3/2020**

**Alyssa baptized on 3/27/2021**

Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!

2 Corinthians 5:17

The Lord continues to amaze and delight me. The work at Hosanna Home is sometimes very difficult. As we do have an enemy! But greater is He that is in me than he that is in the world.

This newsletter covers from October 2020 through March 2021 because I've been too busy to put one together before now.

I've been not only serving as the Executive Director, but also the House Manager sometimes 3 nights a week, the Esther's Closet Coordinator and Team Leader for two day per week.

We've had Deborah (who was our house manager for 10 years) retire due to health issues and a husband of one of our house manager's fall and break his hip.

Many of our Bible Teachers have decided not to continue and our mentors have left due to difficulties at home.

We've had many of our ladies at Esther's Closet retire due to fear of COVID-19.

BUT GOD....continues to bless this ministry with donations, residents who have lives changed, and graduates who want to give back to other women who need help. We currently have three house managers that have all been residents at Hosanna Home.

God isn't surprised by any of this hardship or difficulty. HE knows and HE empowers those HE calls to do this most important work.

Our world is deteriorating quickly and I believe we have just a short

time before Jesus returns for His Church. I remind myself of this poem by C.T. Studd:

**Only one life, 'twill soon be past,  
Only what's done for Christ will last.**

We ask for your prayers and thank you for your generosity to Hosanna Home!

*"We must carry out the works of Him who sent Me as long as it is day; night is coming, when no one can work."*

John 9:4

## GOD CONTINUES TO WATCH OVER HIS GIRLS

In March 2021, Megan discovered she had a problem with her 2004 Subaru Outback - a big problem to the tune of \$6,500.00. She was worried and didn't know how she would get this work paid for. But GOD:

Megan is a volunteer at Esther's Closet now and we sent out a request for donations to help her with this monumental mountain. And GOD answered through His people. We received \$6,383.00 in donations from all different people - some very small donations - some very large. All went to help this daughter of the King!

**Megan graduated from Hosanna Home in 2014**
