**WE NEED
STEPHANIE
THOMAS.**

Democrat Stephanie Thomas will be the results-driven State Representative we need... for a change.

A life defined by self-initiative.

Stephanie Thomas worked her way through high school and college – ultimately earning a master’s degree. She would then start as an intern at a fundraising company and became its president 12 years later. Now she runs her own successful fundraising business.

Stephanie’s results-driven efforts have made her a leading force in her industry.

She has raised tens of millions of dollars for high-profile charities – helping those in need. From A Better Chance to the Brady Center to Prevent Gun Violence, Stephanie Thomas has worked tirelessly to make charities stronger, and help thousands of families.

She will bring that same drive to Hartford and fight to defend the issues we care about most.

Stephanie Thomas will bring all voices to the table to work toward more funds for our schools, fiscal responsibility, stronger gun laws, fair wages, affordable health care, and small business incentives.
