Environmental Policy

Version 1.0

Approved: May 2026

Review Date: May 2027

Aviation and Specialist Security Consultants Ltd (“AASSC”) recognises the importance of operating responsibly and minimising environmental impact where practical.

As a specialist aviation and security consultancy business, our environmental impact is primarily associated with aviation security, airfield activities and use of specialist equipment and technology.

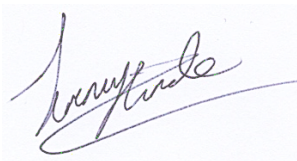

AASSC aims to:

- reduce unnecessary travel where practical
- use remote meetings and digital collaboration tools appropriately
- minimise waste and unnecessary paper usage
- encourage responsible energy use
- recycle materials where feasible
- comply with applicable environmental legislation and regulations

We will seek practical opportunities to improve environmental performance in a manner proportionate to the size and nature of our business.

This policy will be reviewed periodically and updated where appropriate.
