HONOR ROLL

On the planet currently, there is occurring an unavoidable emergence of Truth, from a multitude of sources. This evidence is being put forth by various individuals, & researchers, often at great cost to their professional positions, reputations and sometimes, their lives.
Why is this happening now?
Because, **"the seeds of destruction are contained within every evil word, thought or deed"**,... and this *great emergence* is the collective flowering of those seeds.
Period.
Following is a list of only a few of the people who have come forth with close to absolute Truth:
