Kentucky Oaks Top 10

Current	Prior	Horse	Comments
1	1	Tarifa	- Guppy win in FG Oaks; received a 95 Beyer - Perfect 3-for-3 in 2024; tactical ability makes for a good trip in each race - Nothing really negative at this point
2	3	Just F Y I	- Solid 2nd off 6 month layoff and interrupted 3yo season; received an 89 Beyer - Should logically move forward in 2nd start at 3yo and 2nd off the layoff - Still seems to need to get faster but that can definitely happen next out
3	4	Thorpedo Anna	- Came off 4 month layoff to romp in the Fantasy with stalking trip - Might have come back just better at 3yo after being impressive as a 2yo - Breeding seemed to lean a little shorter, but hasn't caused any problems yet
4	2	Power Squeeze	- Won Gulfstream Park Oaks impressively; received a much improved 92 Beyer - Has shown an ability to sit off and pass horses in 4 straight wins - Hard to find any negatives at this point
5	5	Leslie's Rose	- Looked strong in dominant win in the Ashland against a tough field; received a 95 Beyer - Thought there might be distance concerns, but that was maybe put to bed - Need to see if she can repeat that effort going an extra furlong
6	6	Ways and Means	- Came back off almost 6 month layoff to run well in a loss in Gulfstream Park Oaks - Might have liked to see one more start before the KY Oaks to see where she stacks up - Oaks distance still a question being out of Practical Joke
7	7	Where's My Ring	- Strong win in the Gazelle sitting just off the pace; received a 90 Beyer - Has just been solid and consistent at 3yo with three quality efforts; should like added distance - Has yet to beat top competition so the step up in the KY Oaks will be tough
8	8	Everland	- Impressive off-the-pace win in the Bourbonette Oaks; received an 82 Beyer - Breeding suggests that dirt and distance shouldn't be an issue - Has never run on dirt; wins have been on turf and synthetic
9	9	Our Pretty Woman	- Ran tough 2nd in 1st stakes try in the FG Oaks losing to Tarifa; received a 93 Beyer - Question of whether can be as good on fast track seemed to be answered - Inexperienced still, but has shown some talent and is in solid hands
10	10	Candied	- Finished a decent 4th in the Ashland in 1st start of 2024 - Should be able to move forward 2nd off the layoff and has enough talent to make noise - Currently doesn't have enough points, so may not even get in the race
