Race Day Date	FRI, AUG 21st
Tip Sheet By	Andrew Rdesinski

Race-Day Overview

It is day 31 of the Saratoga meet and it will be a beautiful Friday afternoon at the SPA....The Featured race of this Friday card is the Fleet Indian Stakes for 3yo State Bred Fillies on the dirt. Let's find some winners, and build momentum into the weekend!

*Based on the variable weather patterns in upstate New York, **it is imperative that you CHECK FOR SCRATCHES AND CHANGES, because we often send out the SPP's BEFORE scratches are officially posted. So, our final selections might be VERY DIFFERENT if races taken off the turf!!** We send out the SPP's early to give you ample amount of time to study and make decisions before the races begin.*

Late P5 Analysis: R6 - 10

This late pick 5 is tough..but I think there is one horse early on you can build the whole ticket around. The opening leg is 2yo fillies on the turf and I think this is a spread leg, nothing really stands out to me here. The 2nd leg is where I find my single of the sequence. #6 Georgia Magic who seems to have the magic right now with two incredible Beyers in his last two races. Lone speed as well, I think this one can do it easily on the front end vs this bunch. Race 8 is the next leg and this is another spread race but not the race I spread the heaviest in. This turf sprint is very tough, shippers, speed horses, pressers...you got it all in this turf sprint. Race 9 is the featured race which is the Fleet Indian and this race could be all if you have the bankroll. This group of NY-Breds are salty. Proceed with caution. Finally the closing leg is a pretty solid MSW field on the turf and I think the race goes through three horses, #2 Felixyn, #4 Fifty Shades Free, #7 Amazing Gracer. This sequence could pay, just need to get lucky one time.

Price/Spot Play(s)

Race #	Horse #	Horse Name	Odds	Stars	Bet(s)
3	3	Moonlit	8-5	5	\$40 Win #3
Notes					
This I guess you could say is my co-best bet of the day but I like one other horse a tad much more. However, Moonlit should be able to beat this field. This is a small bunch of horses and this one has improved a good bit in each of 3 races in her young career. Her Ragozin numbers are improving more than anyone else in the field as well. Add blinkers to a horse who has improved this much...today is the day they put it all together.					
Race #	Horse #	Horse Name	Odds	Stars	Bet(s)
5	8	Fire Marshall	4-1	3	\$15 WP #8
Notes					
Fire Marshall is a horse I think can improve 2nd time out. He is one of three horses in this field with a start under his belt but his debut was by far the best out of those 3 who have experience. Maker and Prat at 30% this meet and this one was bet on debut and showed some early gate speed. Now with some time to mature since then, I think this one takes that next step forward and could win with minimal improvement unless one of the first time starters fires a big effort.					

Picks Tip Sheet

Race #	Horse #	Horse Name	Odds	Stars	Bet(s)
7	6	Georgia Magic	4-1	5	\$50 Win #6
Notes					
THIS IS MY BEST BET OF THE DAY! Steve Schauer has been on my radar for months and his ability to improve horses is impressive. This one finally turned it around once they started putting this horse on the lead. This one also has no real competition in this field to go to the front. If Manny can just be aggressive on this one, Georgia Magic will be able to get it his own way and go gate to wire. That's the plan at least. No one in this field can run close to the beyers this horse has run in his previous two races.					

Race #	Horse #	Horse Name	Odds	Stars	Bet(s)
9	4	Iron Orchard	3-1	4	\$15 WP #4
Notes					
Iron Orchard is sitting on a big effort here. I can feel it in my bones. As a 2yo this horse was promising last summer at Saratoga. She won the Frizette at Aqueduct and then tried the BC Juv Fillies and ran poorly. She was given time off and the two races post layoff have been lackluster. However, this is the right level for this horse and she probably wants this distance. She likes to be forward and likes to make one move...if she can get the distance, I think Steve Asmussen will have this one ready to go.					

	Race #	Program # - Horse	Short Rationale
Most Likely Winner	3	#2 Moonlit	Best numbers in a small field. Great connections and addition of blinkers in which Clement hits at 23%

Picks Tip Sheet

Best Longshot (over 10-1 ML)	8	#2 Star of Life	Not quite 10/1 ML but at 8/1 ML and a horse who is shipping in from Italy and off poor efforts. I think this one will be overlooked but the breeding suggests this one has talent and Casse gets to train it stateside. Saez in the irons, sign me up
