

TEAM HHH
International Racing Tip Sheet
September 27th
Sandown, Rosehill - Australia
Newmarket - UK
Curragh - Ireland

My first tip sheet in a few weeks. A combination of a vacation and a health emergency has kept me quiet.

The Australian Spring is now in full effect. The main focus will be at Rosehill Gardens in Sydney with the Gr1 Golden Rose going up against the Aussie Rules Grand Final over in Melbourne. The UK and Ireland both have big meetings with the historic Cambridgeshire handicap and a pair of Gr1 6 furlong features for the 2 yr olds at Newmarket and the Goffs Million for the 2 yr olds over 7 furlongs at the Curragh.

William Buick stays at home to further build his relationships with future prospects as opposed to riding in the Joe Hirsch, State Side. I have tipped him in three races here. The asterix denotes confidence with 5 ***** being the most confident. I have double dipped in the huge field races at Newmarket and the Curragh. Crush your bets.

R9 02:45 am

My best bet in Australia. A Gr1 performer who showed strong form last time when 4th in a Gr2 in early September. Has Gr1 entry next week, but the fact that they are taking a swing in this prestigious Gr2 Canandian Club Shannon Stakes tells me they think they can win this.

7 (4) **Pacific Avenue** 5/1 ***

R2 09:25 am

Impossible to play against the hot Fav for Appleby and Buick here.

9 (8) **Wise Approach** 1/1 . *****

R4 10:40 am

Taking two swings in the 24 runner Cambridgeshire Handicap, including Buick on the Gosden 2nd Fav for Godolphin.

10 (18) **Fifth Column** 6/1 ***

Curragh - Ireland

I am taking on the Aiden O'Brien Fav, Composing, here in the Goffs Million. Very sweet on Phenomenal Filly at a big price for Paddy Twomey.
