

East Haven Pride Meeting Agenda

Tuesday June 24, 2025 6:30 pm

- I. Call to Order 6:33pm
- II. Officer's Reports
 - A. North Haven Pride Event - Cindy, Wonderful turnout! Wheel was a hit, raised \$135, to be invested in v-neck EHPride shirts. Also saw a lot of other tables with wheels. People enjoyed our free crafts: bead bracelets and rainbow scratch art!
Cindy- Met with NHP at a prep meeting, there was a lot of discussion about how far they've come, and the struggle with participation they still face. Main take away: KEEP GOING
 - B. Gayme Night - Jess, decent turnout, overlap with library event. Good event at ETV studio.
Suggestions: work on a clear calendar on the EHPride website. Include library events
- III. Committee Reports:
 - A. Outreach Committee - Suggestion: meet with NHP, see what they are doing well, continue to get advice from them
Working on a membership survey and feedback form, annually? Poll our own members
Saw a sign "LGBTQ, Allies & Families Welcome Here" at Christ of the Epiphany (church on the green), excellent to see support. Cindy- Talks to Barbara from the church at food pantry, expressed how meaningful the sign is. Potential for future use of space(church basement), fundraiser for food pantry.
 - B. Fundraising - Carmine- notes for next year's Ride with Pride event: change it up a little. Dessert Bar after trolley ride, different menu, theme. Make it interesting each year, signature event.
 - C. Teen Programming/Social Events- no report, idea! Open mic night, maybe Cabaret on Main?
 - D. Website/Social Media- idea: work on calendar, embed on website
 - E. Education - no report
- IV. New Business:
 - A. East Haven Banner Update - Cindy: banner priced out w/ LUV Custom to be VERY expensive due to all the colors, Business Stickers- nearly \$7 a sticker. Looking for different options/work arounds.
Suggestion: Business cards, and specific "EHPride supports your business" cards to give when patronizing local businesses. Would be a good publicity campaign
Suggestion: For the 'Safe Space' stickers, brainstorm some guidelines to ensure the businesses are actually a safe space, before putting our name to it. Offer employee training? A pledge? Ask NHP about their process
