

Building with Vision: The Story Behind JXM Build

At the heart of every strong structure is trust, skill, and vision. At JXM Build, founders Morgan and Joshua bring these values to life on every project.

Who We Are

With years of hands-on experience in construction and refurbishments, Morgan and Joshua have worked across a wide spectrum of projects. From detailed bathroom fit-outs to large-scale refurbishments, their expertise combines technical excellence with a passion for delivering lasting results.

Though JXM Build is a new venture, it stands on a foundation built from proven success, collaboration, and a commitment to quality.

Experience That Speaks for Itself

Much of Morgan and Joshua's portfolio has been rooted in the education sector, where precision, safety, and reliability are essential. They've delivered a range of school projects—whether transforming a single space or managing complex refurbishments—always ensuring minimal disruption and maximum impact.

Professionalism – maintaining clear communication and dependable timelines.

Quality Craftsmanship – ensuring every detail meets the highest standards.

Adaptability – from small-scale projects to six-figure builds, they tailor solutions to each client's needs.

Looking Ahead

Now, as they embark on this new chapter with JXM Build, Morgan and Joshua are excited to bring their combined skills to a wider range of clients. Their mission is simple: to create spaces that are not only functional, but also built with care, precision, and long-term value in mind.

“Every project is an opportunity to build trust as well as structures.”
