And there is a reason for this, because these people and millions others that are true servant leaders are ready to give everything they have to truly follow Christ even their life's. And the obvious reason why they have done this since thousands of years is because The Son of God, Jesus Christ left the greatest legacy of leadership for all of us from washing the feet of the disciples, to seeking out those who where lost on a daily basis in His earthly ministry, whether it was one, thousands or a group of 12. But the greatest act of love was Him dying for sinners like us on the cross.
