### **The “Man of God” Course: Week 6**

In the sixth week of our study, we focused on the truth that men of God stay away from God's girls. The lust of the eye, as we mentioned before, is one of the three categories of sin. This sin, however, is unique among the categories of sin ( 1 Corinthians 6:18,NLT). **Run from sexual sin! No other sin so clearly affects the body as this one does. For sexual immorality is a sin against your own body.** The major emphasis of the text is that the body is the temple of the Lord. King David was a man of God who had fallen into this devastating sin. The cost he paid for it was truly tragic.

Joseph was another man of God that was tempted by a woman, yet even though this was before the law, he recognized the fact this was against the will of the God he served and fled away from that temptation. This gives us a great example that we also should show the same kind of faithfulness to God and our friends.

Keeping the Word close to our hearts ( 1 Timothy 6:11,NKJV), but **you, O man of God, flee these things and pursue righteousness, godliness, faith, love, patience, gentleness.** When Joseph did what was right in the sight of God, on the surface, it didn't seem like it went very well for him, but in reality, it placed him exactly where he needed to be at exactly the right time. A moment of pleasure is not worth a lifetime of destiny. Taking this teaching to heart can save your family, your ministry, and your very life.

The world is in desperate need of men of God and to the world, a man of God's message and testimony is only as good as his witness. The man of God is called to care for the flock and the lost; some women are lost in the world, they need to be gathered not scattered further. Many wicked men scatter the flock of Christ. Remember that Jesus laid down His life for His sheep, and we are called to watch over and protect the flock, not mistreat them. Don't let this description be true of you **“They will be unloving and unforgiving; they will slander others and have no self-control. They will be cruel and hate what is good. They will betray their friends, be reckless, be puffed up with pride, and love pleasure rather than God. They will act religious, but they will reject the power that could make them godly. Stay away from people like that! They are the kind who work their way into people's homes and win the confidence of vulnerable women who are burdened with the guilt of sin and controlled by various desires.”**2 Timothy 3:3-6 NLT

These men may know how to go to the throne of grace and find mercy, but what about those they lead into sin, what will happen to them?

***Men of God stay away from God's girls!***
