

## **SOLDIERS FOR GOD MINISTRIES**

### **The Man of God Course** **introduction**

In many times and in many ways, God has called Man to serve Him. The Bible is filled with stories of ordinary men with natures and problems like our own, which serve as examples for us to answer the call of God on our lives. Because even now, God is calling out to men to rise up to the occasion to become the men of God He has called them to be.

There is a need for men of God today just as there always has been. One reason why men of God are needed today is because there is a crisis in the church; people are losing trust in men of God. This is a problem, since we are called to be witnesses of the truth. (Witnesses should be trustworthy. ) There are several parts to this problem. For one, the many moral failures of ministers, whether in personal or family life, ministry, or business or some other area. Another part of the problem is that instead of people coming up with solutions, most just talk about the problem or “post” about the problem. Still another part of the problem, and probably the biggest, for the gypsy church at least— is that we have not properly educated men of God about inevitable challenges and temptations they would face. This is something we can no longer do. The “Man of God” course will address a range of topics that deal with what it means to be a man of God in ministry and in life— You will learn what men of God stick away from and what they cling to. We will go over issues like moral purity and dealing with pride and the love of money. There will be an abundance of practical aspects of what men of God are called to do not just in the church and in ministry but in business and family life as well.

Regardless of how many issues, problems, or challenges the church faces, only one choice matters, and it is this: Will you be part of the problem or part of the solution? Now is the time to make the correct decision, because even now God is calling, just as He always has, and the answer of the Man of God is the same now as in times past and it is this: “Here I am.” Today if that is your response to the call of God, by the grace of God we believe this course will help you to become the Man of God, that God has called you to be.

In order for participants to graduate from the course, they will need to:
