Good News!!! We are able to have the Annual Trail Clean Up Event. Starting the New Year on a good foot. We will be cleaning all the trails in the park, the garden, and highway. We are looking for volunteers that like to be outdoors and go hiking. You will receive two nights of camping for free as a thank you for helping keep the park beautiful. If you can only come on Saturday, please go into headquarters and let them know that you are volunteering for Trail Clean Up. If you have any questions please email FOG at fog29m@gmail.com or check out our Facebook Page: Friends of Garner.
