The Gallery at Lake Saint Lawrence Arts Announces Next Exhibit of Artists Works

The Gallery at Lake Saint Lawrence Arts announces the next exhibit of artists' works. The exhibit begins on April 10 and continues until May. The Gallery is open on Thursdays, Fridays, & Saturdays from 11:00am to 3:00pm. at 14 Main Street, Waddington.

Featured for this exhibit are Jennifer Cavanaugh, Nancy Orologio, Tina Siebel, and Yvonne Corbett.

Jen grew up in Potsdam and graduated from the Crane School of Music. She spent 30 years in the music and theater world teaching vocal music in the Ogdensburg City School District. After retirement she decided it was time to pursue her interest in art. She is now an accomplished pastel & water color artist.

Classes at SOAR in graphite, charcoal, and water color started her journey into art. Classes in pastel during winters in Florida started her passion in pastel. This passion she likens to "finger painting for adults" and provides a personal connection for her with the depth of colors, the subject, and the finished painting. The process of pastel painting is a long one, but it is her greatest joy and worth the time spent.

Nancy is a wool fiber/felting artist from Norwood. She has a degree from Clarkson University and spent her career working in business and administrative finance for over 40 years. Her true passion has been perennial gardening. After retirement she had to find a new passion so she settled on "wool painting as an art" referred to as felting. Her love of color in her perennial gardening led her to creating florals and landscapes with primarily an impressionistic style. She has won awards with them which inspired her to continue with this artistic medium.

Felting is a process of connecting wool fibers to make a fabric and is an ancient art. It is the earliest known textile, predating weaving or spinning. Most of her pieces are made using Merino sheep's wool along with Corriedale sheep's wool, sheep's locks and silk fragments which

she makes into wool paintings, scarves, hats, and many other things.

Tina Siebel is an accomplished silversmith jeweler. She is the owner/designer of Serendipity Creations. She started in jewelry making with beads in 2005 with her mother and sisters. She took the first of many silversmithing classes in 2014 and was hooked. She took private lessons at a studio in Smyrna Beach, Florida, where she lives in the winter. She now has her own home studio and does her own design, fabrication, and stone setting in sterling silver and Argentium. Tina's jewelry can be found in galleries, stores and arts festivals in several states. She also mentors young jewelry artists in the art.

Tina says that her Serendipity Creations are ideas that start in her head, go through her heart and hands and ends with her eyes.

Yvonne was born in Ontario, Canada and majored in Fine Arts at Sir Sandford Fleming College where she was able to venture into many different art forms. She finally settled at oils as her art of choice. She and her husband, Jim, also a certified instructor, taught oil painting classes in Arizona for 20 years. She was also asked by the university to teach painting at Arizona State University in Tempe.

Yvonne experiments with the capabilities of all sorts of oil creations from the unrestricted strokes of the palette knife to slashing paintings into strips to re-create unique woven canvases with fractured images that she calls Oil Mosaics. She teaches monthly Watercolor Pencil Painting at The Gallery which introduces students to the art of painting. She also stitches her paintings into one-of-a-kind fashion totes.

Yvonne and her husband live on the St. Lawrence River near Ogdensburg. Planting, tending and harvesting her vegetable gardens has become a joyful three-season pastime when she isn't doing her "art thing".

St. Lawrence County Chamber of Commerce Announces 8th Annual Tourism Dinner: "Tourism at Home"

Photo: 2024 STLC Annual Tourism Dinner at Best Western in Canton

OGDENSBURG, NY - The St. Lawrence County Chamber of Commerce is hosting its 8th Annual Tourism Dinner on Wednesday, June 4, 2025, at the historic Freight House in Ogdensburg. This year's theme, "Tourism at Home," will highlight the impact of tourism on local businesses, jobs, and community development, reinforcing the vital role of tourism as an asset for those who call St. Lawrence County home.

"People think tourism is all about the visitors, but at the heart of it, tourism is all about the locals," said Tiffani Amo, Director of Tourism. "We want to remind residents that improving our quality of life right here at home is the driving force of the Chamber's tourism efforts and that local interests and local voices are our guiding lights."

The evening will begin with networking and a buffet dinner catered by Freight House, followed by opening remarks from Amo, which will include highlights on the Chamber's current and upcoming marketing initiatives with an emphasis on strategic partnerships, promotional campaigns, and collaborative tourism projects designed to attract visitors year-round. A charismatic keynote presentation by Josiah Brown, founder of Famous Destination Marketing, will explore the concept of "Resident First Tourism" with inspirational insights on how local communities can take an active role in shaping their tourism identity. Brown will showcase tourism's role as a key driver of economic sustainability and community

pride and will illustrate the impact residents can make when they choose to embrace and promote the unique attractions on offer in their own backyard.

To wrap up the night, a presentation of the 2025 Tourism Excellence Awards will recognize individuals, businesses, and organizations that have made significant contributions to the county's tourism industry. A 'Best to the Guest' award will be presented for excellence in customer service and visitor experience, and a 'Best Destination Marketing Initiative' award will be presented in recognition of an outstanding tourism marketing campaign or initiative. These awards celebrate the outstanding efforts that make St. Lawrence County a visitor destination. Award nominations will open to the public on Tuesday, April 1 through Thursday, May 15.

Regional and local tourism partners, businesses, and community members are encouraged to attend to connect with industry partners and leaders, to gain valuable insights about the role of tourism in everyday lives, and to learn how to become actively engaged supporters of the continued growth of sustainable and authentic tourism in St. Lawrence County. Space will be limited so pre-event registration is required.
