Date & Location of Annual Craft, Food & Wine Holiday Market Announced

POTSDAM, N.Y. — The St. Lawrence County Chamber of Commerce has announced the return of the Craft, Food & Wine Holiday Market to Maxcy Hall on the campus of SUNY Potsdam following a one-year hiatus.

The annual two-day showcase will take place Friday, Dec. 4, from 2 p.m. to 7 p.m., and Saturday, Dec. 5, from 10 a.m. to 4 p.m.

Positioned as one of the North Country's premier holiday shopping destinations, the event brings together more than 100 regional producers under one roof. Attendees can browse a wide selection of locally made items, including hand-crafted goods, artisanal foods, and regional wines.

"We're excited for another Craft, Food & Wine Holiday Market at Maxcy Hall. The festive event is a fun-filled way to

showcase the region's exceptionally talented artisans, support our members, and provide a unique holiday shopping experience for our residents and visitors," said Ben Dixon, Executive Director of the St. Lawrence County Chamber of Commerce.

Organizers encourage residents to support small, regional businesses and shop local during the holiday season. Given the event's size and range of offerings, attendees are advised to bring large shopping totes.

Applications for this curated event will open for members of the St. Lawrence County Chamber of Commerce in early September and then later for non-member vendors.

For more information regarding the showcase or vendor details, contact the Chamber's Assistant Director, Laura Pearson, at 315-386-4000 ext 6 or Laura@slcchamber.org.

Ogdensburg History Museum Launches "Maple City Explorers" Homeschool History Series

OGDENSBURG, NY — Following a successful inaugural year, the Ogdensburg History Museum is launching the second year of "Maple City Explorers," a monthly interactive program designed specifically for the home-school community. Running from September 2026 through May 2027, this educational series invites students to dive deep into the unique heritage of the St. Lawrence River valley through hands-on activities, primary source exploration, and engaging storytelling.

The program is led by retired kindergarten teacher Nancy Wilson Mashaw. The program takes place on the second Monday of each month from 10:00 AM to 12:00 PM at the museum, located at 206 Ford Street. To ensure a personalized, high-quality experience, capacity is strictly limited to 12 children per session. The

series is open to children ages 6 and up.

This year's curriculum highlights include:

- The St. Lawrence River: Discover the vital importance of the river, spanning from the Ice Age to the engineering of the modern Seaway.

- Hometown Heroes: Uncover inspiring stories of local pioneers, suffrage leaders, and historical figures who shaped the community.

"Our goal is to help students make meaningful, personal connections to our city's past using the very artifacts and stories housed within our walls," said Museum Director Julie Madlin.
