Associated Colleges and Chambers of Commerce Partner for 'Beyond Internships' Panel and Networking Event Oct. 7 at Clarkson

POTSDAM, N.Y. — Local business owners, educators, and community members will gather next month to explore fresh ways to engage with North Country college students beyond traditional job placements.

The St. Lawrence County Chamber of Commerce, Potsdam Chamber of Commerce, and Associated Colleges of the St. Lawrence Valley will co-host "Beyond Internships: Building Stronger Connections Between Students & Our Community" on Wednesday, Oct. 7, from 4:30 p.m. to 6:30 p.m. at the Schuler Educational Resource Center at Clarkson University, 8 Clarkson Ave.

The program features a panel of student leaders representing Clarkson University, St. Lawrence University, SUNY Canton, and SUNY Potsdam. Panelists will share their perspectives on student life, leadership, and community involvement, highlighting ways regional businesses can connect with student organizations and activities outside the traditional hiring pipeline.

A networking mixer with refreshments and a cash bar will follow the discussion, offering business leaders, students, educators, and community partners a

space to explore new collaborations.

Attendees are also invited to arrive early for an optional tour of Clarkson's Maker Space beginning at 4 p.m.

According to organizers, the program is designed to build even more connections between campus communities and local businesses. Attendees will have the opportunity to look beyond standard internships and find new ways to collaborate, support student leadership, and strengthen the regional economy.

This is the fourth year of these university-business mixers. Some of last year's attendees — of which there were more than 80 — noted the value of the networking: "Being able to speak one-on-one with the college representatives who were tabling, and the students present, was invaluable," said one business leader.

Admission to this year's mixer is free, courtesy of the Associated Colleges of the St. Lawrence Valley, though advance registration is required by Friday, Oct. 2. To register visit: <https://tinyurl.com/stlcbusinessconnections>.

Questions regarding the event and program can be directed to Karen Kus at ackus@potdam.edu.

Ogdensburg to Host "Open Doors, Open History" Weekend Featuring Free Tours, Interactive Museum Activities, And Historic Celebrations

OGDENSBURG, NY — The city of Ogdensburg invites residents and visitors to step back in time during the Ogdensburg Open Doors, Open History weekend. Taking place from October 2 through October 4, 2026, this citywide heritage festival offers community members a unique opportunity to explore local landmarks, participate in family-friendly activities, and engage with over two centuries of regional history. This exciting weekend of discovery is proudly organized as part of the larger, countywide St. Lawrence County Open Doors to History initiative. Admission to all participating festival sites and events is free or donation-based.

A central highlight of the weekend is the open house at the Ogdensburg History Museum, located at 206 Ford Street, on Sunday, October 4, from 1:00 PM to 3:00 PM. The museum will feature immersive, hands-on exhibits, historic Hart pottery, and vibrant Horwood stained glass. Families can look forward to interactive history challenges tailored for all ages:

- For Adults: An exhibit-based trivia challenge testing local historical knowledge. All completed trivia and scavenger hunt entries will be entered into a prize drawing for a Sweet Emilie's Coffee & Ice Cream gift card.

A diverse lineup of history and art programming will be featured across the city throughout the weekend:

St. Lawrence County Chamber Prepares for Annual Phantoms in the Park Celebration Oct. 24 in Canton

CANTON — The St. Lawrence County Chamber of Commerce is preparing for its annual Phantoms in the Park celebration, a Halloween party for local children scheduled for Saturday, Oct. 24, in Canton Village Park.

The celebration begins at noon, with the popular costume parade kicking off at 1 p.m.

"Phantoms in the Park is a cherished Canton tradition," said Tom Graser, Community and Membership Relations Manager for the St. Lawrence County Chamber of Commerce. "It is always great to see the kids in their Halloween get-ups, but it is especially nice to see Canton businesses support this event."

The event will feature a range

of games and activities provided by local groups and student volunteers from St. Lawrence University and SUNY Canton.

Once again, Nature Up North will be on hand with a pumpkin carving and painting station.

The costume parade will begin and end at the park, traveling down both the north and south sides of Main Street.

Organizers are seeking community volunteers to assist with the event. Needs include individuals to set up and run simple games, judge the costume contest, and monitor street crossings during the parade. To volunteer, contact Tom Graser at tom@slcchamber.org or 315-386-4000, extension 5.

Planned Parenthood CEO Highlights Expanded Services at Open House

CANTON, N.Y. — Community members, local officials, and regional partners gathered in Canton on Friday, Sept. 18, as Planned Parenthood of the North Country co-hosted an open house and official St. Lawrence County Chamber of Commerce ribbon-cutting at its local health center.

The event brought together residents and local stakeholders, including Sean Hennessey, North Country Regional Representative for the New York State Department of Labor, to spotlight the health center's broad role in the region and mark the launch of an initiative to re-educate the public about its full range of care.

Chief Executive Officer Crystal Collette welcomed attendees alongside Chamber representatives and local staff, emphasizing that the health center serves people at every stage of life. Beyond reproductive healthcare, birth control, and STI testing, Collette highlighted services including menopause care and men's health services, such as vasectomy care and routine treatment.

"Tell your friends that they can use us for care at any point

in their life and take what you learned today about our services and share it with other folks in your circle," Collette said.

Collette urged community members to bring their private health insurance when seeking care, noting that doing so strengthens Planned Parenthood's ability to maintain and expand accessible services across the region without taking resources from others. She also commended the local Canton staff for their compassionate care and thanked staff member Nicole for proposing and organizing the event.

Organizers encouraged attendees and local leaders to help spread the word to family and friends about the full scope of services available right in Canton.
