

Hampton Park

LANDSCAPING NOTICE

MARCH 2024

Dear Homeowners,

We are writing to inform you about an upcoming maintenance project that will be taking place in our community. As part of our commitment to ensuring the safety and well-being of all residents, our landscape crew will soon be leveling out the grass areas where they meet the driveways to eliminate any potential tripping hazards.

During this period of adjustment, you may notice slight changes in the appearance of the grass as it regrows to its desired level. We kindly ask for your patience and understanding as we work to enhance the safety and aesthetics of our community. While we understand that this may cause a temporary inconvenience, we assure you that the spring weather will help promote fast growth, restoring the beauty of our landscape in no time.

If you have any questions or concerns regarding this maintenance project, please do not hesitate to reach out to our property management team. Your feedback is invaluable to us, and we are always here to address any inquiries you may have.

Thank you for your cooperation and understanding as we strive to maintain a safe and enjoyable living environment for all residents.

Thank you,

RICH CARDOSI - *Property Manager*
