## SENATE DISTRICT 3 POSITION

I am your new SD3 Committeeman elect, replacing Bill Crowley who recently retired. Unopposed in the selection by county chairs and precinct chairs across Senate District 3. I am grateful for the opportunity to serve on the SDEC to fill Bill Crowley's position in Senate District 3. My deepest appreciation to Bill for his many years of dedicated service and his wisdom.

## SENATE DISTRICT 3 VISION

I am looking forward to representing our large district and the diverse rural Democratic families and businesses across the 19 counties of the district. My goals are to help County Chairs build their county party memberships by developing both local candidates and active volunteers for precinct chairs and election workers with the tools & training to be successful. It is time to be innovative. I will run for this position at the Texas Democratic Convention and hope, as you get to know me and my work ethic that you will vote for me in July in Dallas!
