

Pottery Playhouse - Weekly Drop-Off Events

Mini Maker Monday

Ages 6-13 | 2 sessions: 10AM-12PM & 12:30-2:30PM

Kids choose a pre-selected pottery item to paint using vibrant glazes and fun tools like sponges, stamps, and silkscreens. They'll learn about brush techniques, color mixing, and creative expression - all while having a blast and making a keepsake to take home!

Clay Lab for Kids

Ages 6-13 | Tuesdays & Thursdays 12:30-2:30PM (2-day workshop)

In this hands-on session, kids build their own pottery piece from real clay! Week 1: They shape a themed item like mugs, sea creatures, or wind chimes using coils, slabs, and sculpting tools.

Week 2: They return to paint their bisque-fired piece in fun, bold colors before it goes back into the kiln for a final firing.

Canvas Class

Ages 6-13 | Wednesdays 12:30-2:30PM

A step-by-step guided painting session on an 11x14 canvas. We guide them through the process while still allowing plenty of freedom to make their creation their own. Great for building confidence and trying something new!

Freestyle Friday

Ages 6-13 | Fridays 12:30-2:30PM

This is their time to choose! Kids select their favorite piece from our open shelf - anything from animals to mugs to seasonal shapes - and paint it however they want. It's relaxing, fun, and gives them the freedom to follow their imagination.
