THE CARE PROFESSIONAL ORGANISATION NEWSLETTER MAY 2026

As the month of May is coming to an end, we wanted to update you of all the important changes that have occurred.

Firstly, our CEO Liz Blacklock has decided to step down. We want to thank Liz for all her hard work and dedication to the CPO, she will be greatly missed, and we wish her all the best for the future. We just want to make you all aware, this does not affect your membership in any way moving forward.

You can now find us on Instagram and YouTube via the links below

Also, MPower360 is now available to you. Please get in contact with us if you have not yet received your login details for the app so we can assist you further. You will not want to miss out on the benefits offered!

We are also about to put in our application for PSA accreditation for the Care Professional Register, which is exciting.

We have now introduced a brand new membership tier called the Core membership. This membership is beneficial for Care Professionals who are just starting out their career giving you benefits of a discounted DBS and free training. The prices for the Core membership are £3.99/month or £39.99/year (excluding VAT).

Furthermore, we are now using Experian for our DBS checks.
