

Kent Island Elk Lodge 2576

Queen of Hearts Game Played at Lodge

Kill Card

8-25-2026

It was brought to my attention on 8-24-2026 that the Queen of Hearts kill card, the 3 of Hearts had already played out. So. The rules were not followed as prescribed. We, the Board of directors, are implementing the following changes to the game that is being played right now. We will not have a kill card this game since it was played already, we will follow out until Queen gets played before we start a new board, we will now be changing who draws the card from the drum and reporting to the lodge of officers weekly. Moving forward, stricter guidelines will be put in place, so this does not happen again. This letter is to inform lodge members that we will always be transparent to the members of this lodge on all matters concerning the lodge.

Fraternally

William Ray Wilson Jr

Board of Directors of Kent Island Elks 2576
