AFRICA ENVIRONMENTAL WATCH, INC.

NEW DATE. BROADER COMMITMENT. GLOBAL REACH.

Sponsorship Invitation | Invest in Voices & Solutions

Saturday, February 20, 2027 | 12:00–4:00 PM EST | Virtual International Symposium

Theme: Sustainable Future — Climate Action, Justice and Community Resilience

Dear Prospective Sponsor and Community Partner,

Africa Environmental Watch, Inc. (AEW) invites schools, colleges, universities, institutions, businesses, and individual supporters to help expand access to our 2027 Virtual International Symposium and sustain our environmental work beyond the event. This gathering will connect students, researchers, advocates, and community leaders across borders to exchange ideas and advance practical solutions.

Ways to Make an Impact

1. **Sponsor a student — $25 per registration.** Help youth and young adults participate in an international conversation about climate action, justice, and resilience. We especially invite schools and institutions to sponsor students who might otherwise face financial barriers.

2. **Sponsor a delegate or presenter — $45 per registration.** Encourage a young adult, emerging scholar, or community representative to contribute their perspective. Schools, academic departments, institutions, employers, mentors, and other supporters can sponsor one or more delegates or presenters. Presenter participation remains subject to abstract approval.

3. **Sponsor the symposium.** Support program coordination, speaker engagement, communications, outreach, and the delivery of an accessible international virtual forum. Please contact AEW to discuss sponsorship amounts, partnership opportunities, and any available recognition.

4. **Become an ongoing AEW donor.** Your support helps AEW continue its mission through environmental education, advocacy, youth leadership development, sustainability initiatives, and community-centered engagement. A one-time or recurring gift can help sustain this work long after the symposium concludes.

How to Contribute

Choose the area you would like to support and visit our secure contribution page:

Please indicate whether your gift is for student registrations, delegate/presenter registrations, symposium sponsorship, or AEW's ongoing initiatives. For group sponsorships or institutional partnerships, contact the AEW office to coordinate details.

Your generosity can open a door for a young person, elevate an emerging voice, and help AEW turn global conversations into sustained community impact. We look forward to partnering with you.

With gratitude,
AEW Symposium Organizing Team
With appreciation,
Africa Environmental Watch, Inc. (AEW)
