January 30th, 2024 – Fairmont Southamptton announces the latest phase of its Furniture Giveaway in partnership with PTIX to introduce an appointment-based system to ensure an organized and safe experience for all participants. This innovative system will allow selected recipients to make an appointment and choose up to three items each, streamlining the distribution and ensuring fairness for all.

"We are pleased to partner with PTIX, Bermuda's largest ticketing and solutions-based platform, to facilitate our Furniture Giveaway. Their expertise in managing large-scale events and appointment-based systems is invaluable in ensuring a fair and orderly process for all participants," said a spokesperson for Fairmont Southamptton.

"PTIX is proud to collaborate with Fairmont Southamptton, ensuring a smooth and safe giveaway process. Our longstanding relationship with the hotel as a host location for many PTIX events has been invaluable over the years, and we look forward to its continuation post-reopening," stated a PTIX spokesperson.

No ticket will result in no entry; furniture can only be taken with a valid ticket.
