Party B: EMJ LIFE Holdings Pte. Ltd. (hereinafter referred to as "this EMJ.LIFE")

Represented by: CEO Anderson Yu

Designated Unit: SDGS PASS Global Engagement Office

### Whereas

- Both parties acknowledge the increasing global demand for verifiable ESG (Environmental, Social, and Governance) data, aligned with international frameworks such as GRI, IFRS, COSO, ISO, and UN SDGs.
- EMJ.LIFE has developed the SDGS PASS + NTCC + PADV methodology to capture, verify, and report on participation-based sustainability actions.
- Verification institutions play a critical role in ensuring the accuracy, transparency, and credibility of such data for corporate disclosures, investor reporting, and regulatory compliance.

The parties hereby agree to cooperate as follows:

### 1. Purpose of Cooperation

1.1 Establish a verification partnership to integrate third-party audit mechanisms into SDGS PASS data reporting, enabling verifiable alignment with ESG, SDGs, and carbon accounting standards.

1.2 Jointly promote internationally recognized data assurance protocols that enhance stakeholder trust and cross-border recognition of ESG participation metrics.

## **2. Scope of Cooperation**

2.1 Party B shall provide Party A with access to relevant SDGS PASS participation records, NTCC conversion data, and PADV methodological documentation for audit and verification purposes.

2.2 Party A shall review, assess, and validate SDGS PASS-related data using its accredited verification methodologies, ensuring compliance with agreed international standards.

2.3 Both parties may co-develop standardized verification templates and ESG disclosure modules applicable to corporate, institutional, and governmental reporting.

2.4 Collaborative participation in industry forums, seminars, and public communication to advocate for the adoption of verifiable ESG participation data.

## **3. Data Use, Confidentiality, and Visibility**

3.1 Party A shall have access only to data relevant to agreed verification activities, with strict adherence to confidentiality and data protection requirements.

3.2 Any public disclosure of verification results shall require prior written consent from both parties.

3.3 Both parties may be acknowledged as strategic partners in official publications, provided such references are mutually approved.

## **4. Term and Renewal**

4.1 This MOU shall take effect from the date of signing and remain valid for one (1) year.

4.2 Unless terminated by written notice at least 30 days prior to expiration, this MOU shall automatically renew on a yearly basis.

4.3 This MOU outlines the mutual intention to collaborate and is not legally binding; specific verification assignments will be governed by separate contractual agreements.

## **5. Miscellaneous**

5.1 Amendments to this MOU shall be made in writing and signed by both parties.

5.2 Electronic signatures or official stamps shall be deemed valid for the purposes of this MOU.
