

GSCC SORA

TRAIN. EMPOWER. ELEVATE.

OUR PROGRAMS

Building Skills. Creating Opportunities.

GSCC SORA offers industry-focused training and certification programs that prepare individuals for meaningful careers and leadership in a variety of fields. Our programs are designed to meet state standards, employer needs, and student success.

PROFESSIONAL TRAINING. REAL CERTIFICATIONS. REAL IMPACT.

SORA PREPARATION & SUPPORT

We guide individuals through the NJ SORA process for Security Officer eligibility. Includes application guidance, fingerprinting support, and compliance education.

Outcome: SORA License Eligibility

CPR/AED CERTIFICATION

American Heart Association (AHA) certified training in CPR and AED use for adults, child, and infant.

Outcome: AHA CPR/AED Certification

BASIC LIFE SUPPORT (BLS)

Professional BLS training for healthcare providers and first responders. Teaches high-quality CPR, team dynamics, and use of resuscitation equipment.

Outcome: AHA BLS Provider Certification

FIRST AID CERTIFICATION

Comprehensive training in first aid principles, bleeding control, shock management, and injury care.

Outcome: First Aid Certification

SECURITY PROFESSIONAL DEVELOPMENT

Core training for individuals pursuing careers in the private security field. Includes professionalism, ethics, report writing, and officer responsibilities.

Outcome: Career-Ready Skills

LEADERSHIP & PERSONAL DEVELOPMENT

Empowering individuals with communication, conflict resolution, critical thinking, and leadership skills for personal and professional growth.

Outcome: Stronger Leaders, Stronger Teams

WORKFORCE READINESS

Resume building, interview preparation, job search strategies, and professional etiquette to help individuals succeed in today's competitive job market.

Outcome: Employment-Ready

COMPUTER & DIGITAL LITERACY

Basic to intermediate computer skills including Microsoft Office, email, internet safety, and digital communication.

Outcome: Digital Confidence

COMMUNITY & YOUTH EMPOWERMENT

Programs that inspire, educate, and support youth and community members through mentorship, outreach, and life skills.

Outcome: Stronger Communities

PARTNERSHIPS & CUSTOM TRAINING

We collaborate with organizations, schools, and businesses to deliver customized training solutions that meet specific workforce needs.

Outcome: Effective Partnerships

New Jersey SORA Certification Guide

The Private Detective Unit administers and enforces the Security Officer Registration Act (SORA) in New Jersey. If you are a first-time applicant seeking a Security Officer Certification, please follow these instructions to complete the application and fingerprinting process.

| Step 1: Submit Your Application Online

- **Access the Portal:** Visit www.njsp.org, select the "Services" drop-down menu, and click on "SORA".
- **Device Requirements:** You must use a desktop or laptop computer to process your application, as mobile devices are not supported.
- **Profile Setup:** Keep your profile accurate and complete, and ensure you use a personal email address rather than a work or company email. Be sure to maintain a record of your Logon ID, Password, and Hint Question.
- **Payment:** Application fees are non-refundable and must be paid using a Visa, MasterCard, Discover credit/debit card, or a Visa gift card.

| Step 2: Fingerprinting and Background Check

A criminal history background check is required for all applicants. You will need to complete fingerprinting via IdentoGO.

- **Scheduling:** Pre-registration and appointments are mandatory and can be completed via the Universal Enrollment Platform at <https://uenroll.identogo.com/>.
- **Service Code:** You must provide a unique six-character Service Code assigned by IDEMIA to identify your agency and fingerprinting reason during registration.
 - **Unarmed Security Application:** Use Service Code **2F1HBS**.
 - **Armed Security Application:** Use Service Code **2F11HN**.
 - If you need to verify a different code, reach out directly to your current employer, potential employer, or licensing agency. (Note: IDEMIA staff are strictly prohibited from providing Service Codes to callers or onsite at fingerprinting locations).
- **Payment:** Payment is collected at the time of your fingerprinting appointment via credit card, money order, or check.

Commonly Accepted Photo ID

ID Type	Condition
Driver's License	Issued by a U.S. State or outlying possession
U.S. Passport	Must be valid and contain a photograph
Permanent Resident Card	Form I-551

Step 3: Complete Mandatory Training

After submitting your application, you must complete a 24-hour training class with a certified instructor.

- **Instructor Registry:** A link to browse the official instructor registry is provided at the very end of your online Security Officer application.
- **Search Options:** You can easily search the registry by zip code, state/county, or by an instructor's last name to find someone near you.
- **Scheduling Deadline:** It is your responsibility to contact the instructor directly and ensure the 24-hour class is scheduled and completed within **30 days** of your application date.
