

Agenda of Texas Christian University College Panhellenic
October 2, 2024

Two-thirds of a quorum must be present. The regular meeting will be called to order by Kylie Daly Pedersen at 5:31 pm. The roll will be called by Secretary Sophia Nelson.

Recitation of the Panhellenic Creed:

We, as Undergraduate Members of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community.

Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that should guide our fraternity activities.

We as fraternity women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

College Panhellenic Governing Documents Amendment

To amend Texas Christian University Panhellenic Recruitment Rules, IX. Pre-Recruitment as follows:

Currently reads	Proposed amendment	If adopted, will read
N/A	<i>L. Work week themes cannot be repeated on the same day. The themes, their date, and inspiration pictures will be submitted on the date communicated by the VPRO. In the case of overlap, the chapter who submitted their documents first will have preference.</i>	L. Work week themes cannot be repeated on the same day. The themes, their date, and inspiration pictures will be submitted on the date communicated by the VPRO. In the case of overlap, the chapter who submitted their documents first will have preference.

Rationale: Adding a point to this selection will prevent chapters from having the same work week theme on the same day. This will allow the chapters to feel special on their work week days. Themes may be repeated, just not on the same day, and the Panhellenic VPRO will coordinate this process.

To amend Texas Christian University Panhellenic Bylaws, Article V. The Panhellenic Council, Section 6. Regular meetings as

follows:

Currently reads	Proposed amendment	If adopted, will read
Regular meetings of the Panhellenic Council shall be held at a time and place established at the beginning of each academic term. The Vice President of Management shall be responsible for notifying chapter presidents, Panhellenic Delegates, Panhellenic Executive Board Officers and the Panhellenic Advisor of all regular meetings.	Regular meetings of the Panhellenic Council shall be held <i>Wednesdays at 5:30pm</i> . The Vice President of Management shall be responsible for notifying chapter presidents, Panhellenic Delegates, Panhellenic Executive Board Officers and the Panhellenic Advisor of all regular meetings. <i>Regular meetings of the Panhellenic Executive Board shall be held Wednesdays following council until all matters have been discussed, typically around 7:30pm.</i>	Regular meetings of the Panhellenic Council shall be held Wednesdays at 5:30pm. The Vice President of Management shall be responsible for notifying chapter presidents, Panhellenic Delegates, Panhellenic Executive Board Officers and the Panhellenic Advisor of all regular meetings. Regular meetings of the Panhellenic Executive Board shall be held Wednesdays following council until all matters have been discussed, typically around 7:30pm.

Rationale: Council meetings are always at 5:30pm on Wednesdays already, so this would just formalize that for future semesters.

Executive board meetings have been difficult to plan with the conflicting schedules, so the future executive board should have the meeting immediately after council. This is helpful because all executive board members will already be meeting, and Panhellenic matters will be top of mind.

Introducing the new point system

To amend Texas Christian University Panhellenic Bylaws, Standing Rules Article V: Order Determination as follows:

Currently reads	Proposed amendment	If adopted, will read
Article V: Bid Day Release Order Determination Bid day order is determined by a weighted ranking based on each chapter's rank in GPA, conduct, and attendance at Panhellenic Participation Events. A. Following the end of the academic semester, each sorority is ranked against other Panhellenic sororities based on their average chapter GPA. This ranking is averaged across the two semesters following the end of the prior formal recruitment and weighted at a 1/3 value in the determination of bid day release order. B. Following the end of the academic semester, each sorority is ranked against other Panhellenic sororities based on the number of conduct cases found in violation. Chapters with lower number of conduct cases are ranked higher. This ranking is averaged across the two semesters following the end of the prior formal recruitment and weighted at a 1/3 value in the determination of bid day release order. C. Panhellenic Participation is weighted at a 1/3 value in the determination of bid day release order. For each Panhellenic Participation event, the VP of Member Development will take the chapter's attendance as a percentage of the chapter's billable total for the semester the event took place. In June prior to recruitment, all Panhellenic Participation events attendance percentages for the academic year (following the previous formal recruitment) will be averaged by chapter and ordered. D. The final category will be bus loading scores, which will count for 1/4 value in the overall order. October 30, 2024

Two-thirds of a quorum must be present. The regular meeting will be called to order by Kylie Daly Pedersen at 5:33 pm. The roll will be called by Secretary Sophia Nelson.

Recitation of the Panhellenic Creed:

We, as Undergraduate Members of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community.

Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that should guide our fraternity activities.

We as fraternity women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

Discussing the new point system

To amend Texas Christian University Panhellenic Bylaws, Standing Rules Article V: Order Determination as follows:

Currently reads	Proposed amendment	If adopted, will read
Article V: Bid Day Release Order Determination Bid day order is determined by a weighted ranking based on each chapter's rank in GPA, conduct, and attendance at Panhellenic Participation Events. A. Following the end of the academic semester, each sorority is ranked against other Panhellenic sororities based on their average chapter GPA. This ranking is averaged across the two semesters following the end of the prior formal recruitment and weighted at a 1/3 value in the determination of bid day release order. B. Following the end of the academic semester, each sorority is ranked against other Panhellenic sororities based on the number of conduct cases found in violation. Chapters with lower number of conduct cases are ranked higher. This ranking is averaged across the two semesters following the end of the prior formal recruitment and weighted at a 1/3 value in the determination of bid day release order. C. Panhellenic Participation is weighted at a 1/3 value in the determination of bid day release order. Rationale: The new point system collaborates with IFC to determine a fair and universal ordering system to be used with the respective communities and for social drafts. It uses an excel spreadsheet to clearly track each point in one place, and the order breakdown in each category can be shared to the respective chapter for transparency purposes. The new system is scheduled to take effect in Spring 2025.

Note -- for determining the formal date selections, the chapters for IFC and PHC are combined.

- Main changes:

- Specify how points are recalculated (via Excel formulas)
- Adding a 4th factor of bus loading score (given by TCUPD)
- Changing what points are used for

Discussion:

→ PM asks how would running order now be determined. Based off of TCU PD?

V: Least traffic clogs and best for PNMS

How is IFC scored? What determines their selection?

V: Been working with IFC with similar systems, same exact for GPA, conduct, and bus loading, 4th factor will be assessed after MOvember, and will be reassessed so a frat will be in the top 5 and reassessing panhellenic participation

PM: clarification...

V: IFC has a point system and V converted them to points in a system

PM: If two chapters have a bid day theme

V: whoever has the most amount of points has the first preference and the lower ranking has the next choice, section E

→ AXO asks: there are two subsection E's... what if two chapters has a different number of bus loading events, will it put them at a disadvantage

V: average score for each of bus loading no weight involved...been used in the past years but taking consideration the new factors

→ XO: I am still confused on how were doing this with IFC and have to put one of them into the top 5, because what if they don't rank in the top 5

V: showing spreadsheet and ranking of points

→ ADPI aks: does other selection processes include, is there any way to change it right now, what is keeping future execs from adding different processes...

V: only includes the social draft to change it more easily in the future, planning on just using it for bid day and social draft

→ AXO aks is there a way to notify the chapters throughout the semester

V: its hard with he overall ranking because they move continually and update through the entire system, GPA is updated and conduct also chapters now and community participation reach out to VPMD
 Ella: shouydnt matter because you shiukd ev the best tyiuy can ve
 Sterling: list of attended you can see every event for every chapter and taske the time to calculate it and see what spot you are in for it
 → SK motions and KD seconds
