6. Discussion
 - a. Homecoming
 - i. KAT's exec thought it would be a good idea; some ideas were food trucks and block party activities
 - ii. DG was on board. Brought up the idea of pumping
 1. Might need some selling to get our Greek community on board with it – how can we combat these things and change our culture?
 - iii. XO thought a farmer's market would be cute – every house presents something
 - iv. Would there be any concerns with the neighborhoods around campus?
 1. How much would people be willing to put into it?

- v. SK thinks it would be cool to have open doors and allow people to wander around
- vi. We have to think – what works for TCU?
- vii. DDD thought we could open it up with our partner houses to make it an even more open experience
- viii. GPB: every house could have something different to offer so that there is incentive to visit every chapter
- ix. PM: There could be a way to make it a competition. Also worried about security, especially as it gets closer to the evening
 - 1. We don't have a specific time yet
 - 2. This is a Greek village opening so we want to intentionally include our other councils so we can welcome them to our spaces and visit their plots as well.
- x. DG: What if we had a scavenger hunt where every house has a clue?
- b. Live-free Weekend
 - i. AXO thinks that it would be best if we combined Live Free with one of the weekends that are already blacked out
 - ii. SK thinks that if IFC can pass, we should too
 - iii. Everyone likes it
 - iv. Tabled until we have more information
