## Circle of Sisterhood Trek

Our trek team has returned from a beyond impactful trip in Nepal. For each trek representative, her passion for women's education around the world has grown exponentially, and we are so excited to bring this experience back home to each of you. Our school-build partnership with the Gauripara village in Nepal is something we will never forget. Each representative is eager to share her unforgettable stories of generosity, fun, work ethic, and kindness that the people of Nepal showed us without hesitation!

As the Panhellenic women of TCU, each of you has had an incredible opportunity to receive quality education, and it has had a profound impact on every single one of you. I ask that you talk to any trek representative about her experience abroad to learn more about the mission of increasing access to global education for all. The TCU Circle of Sisterhood chapter is ready to build upon the momentum of this trek and continue spreading our passion and mission for a woman's right to education around the world. Change starts at home with each of you, and we cannot wait to begin this journey together!

We have a few ways that you can begin to learn more about our trek experience and women's education across the globe. Attend the trek panel Panhellenic participation event on Monday, February 11 from 6-7:30pm. Join the organization TCU Circle of Sisterhood on campus (follow us on Instagram @tcu\_cos and join on Engage). Read the book or watch the documentary *Half the Sky*. Finally, have an open and empathetic heart to this incredible mission. If you have any questions about anything above please contact me at [tcupanhellvpp@tcu.edu](mailto:tcupanhellvpp@tcu.edu). I'd love to talk to you about this cause and how we can make a change right at home!

For the girls,

Suzanna Camp, VP of Service and Philanthropy

## A Note From the President

Dear Panhellenic women,

Happy February! I hope you all have settled into this new spring semester. February is a fun-filled, action-packed month for Panhellenic. Please look through the dates at the bottom of this newsletter so you don't miss out on anything! I'm so excited to be celebrating Values Month this February. February is also the Month of the Scholar; this is the first year that the Panhellenic Exec board will be awarding

scholarships to members of the Panhellenic community. I hope you spend some time this month getting to know more about the sisters in your chapter as well as your Panhellenic sisters in our community. As we go through values month, I encourage you to connect with others on why you joined a Panhellenic organization, the impact it has had on your collegiate career, or how your values connect with the goals of this community.

Loyally,  
Fontana J. Frazier
