A Message From The President

Dear Panhellenic Community,

Welcome back from Spring Break! I hope that your first half of the semester has been great! I am honored to represent the Panhellenic community through my position of President, and I'm beyond excited to see what we can accomplish over this semester and next. The 2022 executive board has been hard at work on exciting projects like Rho Gamma selections, Philanthropy events for Circle of Sisterhood, Values Month programming, and several participation events. We are all thrilled for the year ahead of us and we cannot wait to work towards creating memorable experiences within our Panhellenic sororities and across councils. I am certain that Panhellenic will continue to be community that embraces sisterhood and strives to enrich the lives of those around us. We are so excited to serve you this year; here's to 2022!

With love in Panhellenic,
Elyse Cipriano
2022 Panhellenic President

VALUES MONTH RECAP

In February, TCU Panhellenic hosted Values Month to celebrate the four pillars of our community: leadership, sisterhood, scholarship, and service and philanthropy. To highlight these, we hosted several events throughout the month to highlight each value. Victoria Garrick, the producers of No Ordinary Love, and even our own Panhellenic member, Lauren Julius (TCU Kappa Alpha Theta) hosted programs surrounding our values. Thank you to the Panhellenic community for celebrating with us! We had great turn outs and can't wait for next year!

Landry Johnston
VP of Member Development
