Article II. Code of Ethics

TCU COLLEGE PANHELLENIC ASSOCIATION CODE OF ETHICS

We, the members of women's sororities at TCU, agree to promote honesty, respect, Sisterhood and cooperation within the College Panhellenic and our respective chapters and in our daily lives. This code of ethics is designed to inspire our members, reinforce exemplary conduct and values-based leadership, and perpetuate lifelong membership to enrich the sorority and Panhellenic experience. We, as Panhellenic women of TCU, agree on and commit to:

- A. Uphold and demonstrate the Panhellenic spirit in thought, word and action through our chapters as well as individual members.
- B. Demonstrate ethical behavior and conduct ourselves in a manner consistent with the mission and values of the College Panhellenic, each inter/national organization and our institution.
- C. Respectfully adhere to the Unanimous Agreements and all policies established by the National Panhellenic Conference.
- D. Avoid disparaging remarks about any sorority or collegiate woman and refrain from discussing Panhellenic matters with nonmembers, in accordance with the dignity and good manners of sorority women.
- E. Recognize friendly relations with all collegiate women, both sorority members and nonmembers, realizing the importance of creating and building friendships.
- F. Abide by all local and federal laws, TCU Student Code of Conduct and policies, and NPC inter/national member organization bylaws. Hold one another accountable to these standards, remembering at all times that we represent not only our individual chapters but also the Panhellenic community as a whole.

Article III. Recruitment Rules

Section 1. Code of Ethics

We, as Panhellenic women of TCU, agree on and commit to:

- A. Respectfully adhere to the bylaws and recruitment rules of the TCU Panhellenic Association.
- B. Plan recruitment events that provide opportunities for the greatest possible number of women to become sorority members while protecting the rights and privileges of individuals and the chapters.
- C. Provide a safe, positive and enriching recruitment experience, understanding that membership is a social experience arrived at by mutual selection.
- D. Strive to be truthful, honorable, open and friendly to all potential new members during all recruitment events.
- E. Be respectful of the rights of every potential new member to make her own choices, including the right not to join the women's sorority community.
- F. Refrain from limiting a potential new member's chances of becoming a member of the Panhellenic community.

As Panhellenic women of TCU, these are the tenets by which we strive to live.

A. Statement of Positive Panhellenic Contact

NOTE: All College Panhellenics should promote and encourage personal and informative Panhellenic-spirited contact with potential new members at all times, year-round. Strict silence is intended for a short period — not more than 24 hours — from signing the membership recruitment acceptance binding agreement (MRABA) until bid distribution.

Additional silence rules are not desirable, because they can suppress participation in recruitment and stunt growth in your Panhellenic community. Panhellenics are encouraged to eliminate all silence and no-contact statements from their recruitment rules, except for the strict silence required during the short time period between preference events and bid distribution. All member organizations are expected to display ethical behavior at all times. Ethical behavior means adhering to local Panhellenic rules as well as NPC policies. It means holding yourself and others accountable to make good choices in your actions. Ethical conduct promotes parity for all member organizations through fair play.

We, the women of TCU, will promote Panhellenic-spirited contact with all potential new members throughout the year. Strict silence will begin at the time of MRABA signing and last until bid distribution. No sorority member, including alumnae and new members, may communicate or live with potential new members during this period. Strict silence is defined as verbal, nonverbal, written, and printed, text message and electronic communication or communicating through a third party. If potential new members live in a residence hall with sorority members, only casual greetings and contact are permitted.

B. Statement of Adherence to NPC Unanimous Agreements Policies Regarding Recruitment

All NPC member organizations represented at TCU believe in strictly adhering to NPC

Unanimous Agreements and policies. All organizations will follow these valued and nonnegotiable policies during the recruitment process.

C. Statement of Values-Based Recruitment

NOTE: The purpose of values-based recruitment is to focus on meaningful conversations with potential new members and recruiting/pledging women who will have a positive impact on chapters and the Panhellenic community. NPC has a policy on values-based recruitment and encourages Panhellenics to incorporate this concept into all recruitment styles. Nonessential features should be removed from the process, and the focus of membership recruitment should be on the values, benefits and obligations of membership for each organization.

All NPC member organizations represented at TCU will promote the following practices during membership recruitment:

1. Engage in values-based conversations.
2. Choose recruitment activities and behaviors that reflect the core values of our organizations.
3. Make informed choices, based on shared values, about potential new members.
4. Educate potential new members about the values, benefits and obligations of sorority membership. In accordance with NPC policy, TCU recruitment events do not include skits, elaborate decorations and costumes.

D. Statement of Membership Recruitment Acceptance Binding Agreement (MRABA)

NOTE: NPC member organizations want every potential new member to be informed about her options for joining a sorority. To be certain that each woman has this information, Panhellenics must use the MRABA script immediately prior to a potential new member's signing the MRABA.

The TCU Panhellenic will uphold and use the membership recruitment acceptance binding agreement (MRABA) for each potential new member interested in joining a sorority, whether during primary or informal recruitment. We agree to all policies and steps pertaining to the MRABA.

E. Statement of Automatic Reset of Total

Total is the allowable chapter size as determined by the College Panhellenic. To allow chapters to achieve parity as quickly as possible, total will be automatically adjusted every regular academic term. This is to be done no later than 72 hours following bid distribution in the academic term that primary recruitment is held and within one week (no more than seven days) from the start of the academic term(s) in which primary recruitment is not held. Total will be determined by average chapter size (ACS) rounded down to the nearest whole number.

Section 2. Rules

A. All members of the Texas Christian University Panhellenic Association shall abide by the

NPC Unanimous Agreements, agreed upon TCU Recruitment Rules, and the TCU Panhellenic Code of Ethics.

- B. Members of organizations within the TCU Panhellenic community will not participate in Interfraternity Council member organizations' recruitment period including but not limited to all informal events, formal events, Bid Day events, membership selection processes, recruitment apparel promoting a single IFC organization's recruitment, and the use of social networking sites to promote a single organization's recruitment.
- C. All members and Panhellenic Chapters will abide by the NPC Policies found in the Manual of Information including Financial Transparency starting during formal recruitment of 2020.
 - a. Financial Transparency (1963, 2017, 2018) – POLICY All chapters will share detailed financial information (member dues, chapter fees and assessments, etc.) with potential new members prior to extending a bid. College Panhellenics are required to review total each academic term — within 72 hours of bid distribution for the term during which primary recruitment is held and within one week (no more than seven days) from the start of the academic term(s) in which primary recruitment is not held. These adjustments ensure that total reflects current campus conditions and the Panhellenic goal of growth and parity.
- B. Following Primary Recruitment, if a chapter fails to submit their total in time, then the chapter size is calculated by the roster submitted prior to Recruitment plus the total number of PNMs matched.
- C. For new members and active members: any member who is away from campus for the entire academic year is not counted in total. Members away for only one academic term are counted in total.
