

February Panhellenic Newsletter

Welcome Back!

Dear Panhellenic Community,

Welcome back to campus and happy 2021! I am humbled and so thrilled to lead our community for the next year through serving as the Panhellenic President. Our remarkable 2021 Panhellenic Executive Board has been hard at work planning events for Circle of Sisterhood, launching Rho Gamma applications, preparing for the recruitment season, planning values-based participation events, creating incredible PR content, and finalizing the bylaws and budgets to help this year run safely and successfully. We are all optimistic about this upcoming year and finding ways to create lasting memories and unity within our Panhellenic sororities and across councils. I am confident that collectively we will continue to be a positive influence within the Fort Worth community, on TCU's campus, and within our own organizations to enrich the lives of those around us. Here's to a fresh start in 2021 to building up our sisterhood, strengthening our minds through education, embracing and sharpening our leadership skills, and safely serving our community!

With love in Panhellenic,
Cassie Trosino
2021 Panhellenic President

VALUES MONTH

February is our designated "Values Month" for the Panhellenic community. We take this month to celebrate the essential values of sisterhood, leadership, service, and philanthropy & scholarship which we strive to uphold as Panhellenic women. Each week of this month we will highlight one particular value to be celebrated through community-wide programming events. To keep up with us throughout the month for event updates, giveaways, and other details please follow @tcupanhellenic on instagram!
