Our house is filled through an application process at the beginning of the spring semester for the following school year. The application consists of questions such as preferred roommates, involvement in Kappa Alpha Theta, and each member's "why" for living in the house. These applications are then reviewed by a board, usually the current President, Vice President of Operations, and the Resident Assistant. When going through these applications, the board considers involvement and standing within Theta, the number of points each member has earned (through participating in sisterhood events and philanthropy events), how many spots are available, and a few other factors.

Financial Assistance

There are many scholarships available through the Kappa Alpha Theta national's website, as well as a payment plan that members can apply for which breaks up semester dues into even installments over four months. In the fall, each member on a payment plan would pay \$178.50 in August, September, October, and November. In the spring, each member on a payment plan would pay \$133.75. The installments are usually sent out at the beginning of the month and is due two weeks after they are sent out. There is no penalty or fee to be on a payment plan, but each member has to submit a reason as to why they are applying for one each semester. There is also no set number or maximum amount of girls who can receive a payment plan instead of a single installment, and Kappa Alpha Theta is more than willing to make sure that the financial responsibility of our chapter is not a burden to the women in our sisterhood.

Member Organization Fees

Badge and one-time initiation fee:	This fee is to establish membership in Kappa Alpha Theta. It is paid one time during the semester each member would be initiated. Included in this category is our badge fee. Each member organization has a badge/pin. Our pins are in the shape of a kite, which is our chapter's symbol. We wear these pins whenever we have a ritual event, or special occasion within our chapter.
Inter/national fee:	Fee paid to inter/national organization per member to support overall sorority operations.

Chapter Fees

Chapter dues:	This funds member activities including recruitment, social events, sisterhood events, chapter supplies, chapter operations, and more.
Officer Expenses:	Officer expenses are used to support our chapter's leadership. These funds are to support the branches of our cabinet and executive boards with any education, materials, or support to their teams as needed.
Recruitment and Bid Day:	Recruitment and Bid Day are extremely important to the members of Kappa Alpha Theta. These funds are used to support our work week to prep for recruitment, decorations for each round, rentals to transform our chapter room, busses to and from our bid day event, special venues, and other expenses to make our new members feel welcome from the first time they walk into the Kappa Alpha Theta house and meet our amazing women.
Panhellenic dues:	These funds are used to support Panhellenic operations. Examples of items that may be included in the Panhellenic budget are attending conferences, office operations, <u>marketing and electronic media.</u>
Philanthropy fee:	Kappa Alpha Theta's philanthropy is CASA of Tarrant County. We host two large philanthropy events a year, and these funds are used to plan, execute, and host CASA 5k and the CASA Cook Off.
Social/Special Events:	Kappa Alpha Theta's social events are planned with these funds each semester. As a chapter, we typically have two to three events per semester, ranging from many different themes and partnering with many different chapters across our campus. These funds are used for busses to and from events, venues, decorations, etc.
Sisterhood Events:	Kappa Alpha Theta hosts many sisterhood events throughout the year. We have planned activities such as workout classes, coffee tabs, flower bouquet-making events, movie nights, build-a-bear making, and more! Our sisterhood events are one of the best parts of our chapter, because it brings together all of Theta and is a way to spend quality time with our sisters.
Ritual:	Ritual is a very special part of Kappa Alpha Theta and is something <u>all of our members</u> hold close to our hearts. We participate in ritual heavily in the fall semester with the initiation of our new members, as well as at chapter meetings each week. These funds <u>are used to purchase supplies to hold and continue these traditions.</u>

Facility Fees

Parlor/House usage fee:	The entire membership has access to the house and thus the property is subject to a great deal of wear and tear. This fee is used primarily for care, maintenance, and to support our chapter's home. We host many events in the Theta house, such as movie nights, chapter meetings, family weekend events, and more. This parlor fee is to
