## Welcome Back

Dear Panhellenic Community,

Welcome back to campus and happy 2020! I am extremely humbled and excited to lead our community for the next year through serving as the Panhellenic President. The 2020 Panhellenic Executive Council has been hard at work planning events for Circle of Sisterhood, launching the Rho Gamma applications, preparing for the recruitment season, planning values-based participation events, creating amazing PR content, and finalizing the bylaws and budgets to help this year run smoothly and be another huge success. We are all looking forward to another strong year filled with lasting memories and unity among our Panhellenic sororities as well as with our cross-council organizations. I am confident that collectively we will make positive strides within the Fort Worth community, on TCU's campus, and within our own organizations to enrich the lives around us. Here's to another great year building up our sisterhood, strengthening our minds through education, embracing and sharpening our leadership skills, and serving our community.

With love in Panhellenic,  
Kathryn Miro  
2020 Panhellenic President
