Circle of Sisterhood Week

This month, we will be having Circle of Sisterhood Week from March 15th to the 19th! The mission of Circle of Sisterhood is to leverage the collective influence of sorority women to raise financial resources for entities around the world that are removing educational barriers for girls and women facing poverty and oppression. At TCU, we strive to do our part to champion this cause by promoting awareness and raising funds for Circle of Sisterhood. In 2023, we are hoping to send representatives from all 12 of our organizations to a village abroad to break ground on a school that will increase access to education for women and girls in need. The location of this trek has still not been decided but will be announced later in 2021. All proceeds from our event this week will go to fund the 2023 school build!

Values Month Recap

I am so proud to have been able to promote and celebrate Panhellenic Values Month throughout the month of February! Each week of the month was dedicated to one of

the National Panhellenic Council Values. During the first week of February, we celebrated the value of Sisterhood with a Coffee Tab at Common Grounds coffee shop and a profit share event with Kendra Scott. The second week we celebrated Leadership with a discussion on healthy relationships hosted by LaTasha Jackson-McDougle. We also promoted yard signs in front of each chapter house that displayed what “Love is” to each member in all 12 chapters we have on campus. The third week we celebrated Philanthropy and Service by promoting each chapter’s philanthropy and having a Venmo challenge benefitting Circle of Sisterhood. The final week we emphasized the value of Scholarship by celebrating our Panhellenic Scholarship winners, thanking each college on campus for their dedication to us as students, and hosting yoga and cycling classes in the rec to destress. The Panhellenic Delegates, Associate Delegates, and Philanthropy Chairs each helped us promote these weeks and recognize the achievements of our Panhellenic women.

Thank you to all members of the Panhellenic and TCU communities who participated in our events and are examples of these values: Sisterhood, Leadership, Service and Philanthropy and Scholarship each day. I would also like to thank my Executive Board team who have helped and supported me this month! Have a great rest of the semester.
