From the Director of Fraternity and Sorority Life

Dear Potential New Members,

On behalf of TCU Fraternity & Sorority Life, we would like to welcome you to the formal Panhellenic Recruitment process! We are very excited about your interest in becoming a member of our extraordinary community. Our community prides itself on unity, living our values, and building better women. Our members are consistently some of the most involved women on campus while demonstrating a commitment to academic excellence, service and philanthropy, sincere friendship, leadership, and personal development.

The recruitment process will give you the opportunity to learn more about each of the 13 National Panhellenic Conference (NPC) organizations on our campus, along with the values they uphold while striving to elevate our greater community. The formal recruitment process is rooted in both Panhellenic and TCU spirit, allowing us to celebrate something bigger than ourselves. We invite you to take part in this celebration by maximizing your opportunity to build relationships with your Rho Gamma (recruitment guide), the women in all 13 chapters, and your fellow PNMs (Potential New Members).

Entering into the recruitment process is a privilege and therefore it is paired with a certain level of responsibility. We expect each of our PNMs to treat each other, and all of our sorority women, with dignity, respect, and kindness. We have **zero tolerance** for comments or behavior that could be hurtful to any of our chapter members or PNMs.

Most importantly, we encourage you to be yourself and have fun! As you consider making this life-long commitment, take some time to reflect on your personal values and what you hope to gain while being in a sorority. This could range from enhancing your leadership skills and gaining a support system to expanding your network and challenging yourself to be a better person.

If you have any questions, please review the Panhellenic website (www.tcupanhellenic.com), as we believe all the information you need to be prepared for recruitment can be found there. If additional questions arise, please submit them through the "Contact Us" page of our website www.greeks.tcu.edu.

We look forward to meeting you and providing you with guidance throughout this process! Please know that our staff is here for you as a resource and source of support during recruitment and beyond. We wish you the best of luck and encourage you to have an open mind and heart throughout this process.

Interfraternally,

Brooke Scogin

Director of Fraternity and Sorority Life

From Our President

Dear Potential New Members,

On behalf of the Panhellenic Executive Board and the entire Panhellenic Community, I am excited to welcome you to Panhellenic Recruitment at TCU! I want to extend my warmest welcome to you as you begin on the journey to become a part of the vibrant Panhellenic community here at TCU. As you navigate the transition into a new phase of life, my greatest wish for you in this experience is to be reassured about your decision to become part of the Horned Frog Family.

My name is Kylie Daly Pedersen and I am honored to serve as the 2024 Panhellenic President. As of this fall, I am now a senior - which is crazy for me to say since it feels like just a few months ago I went through recruitment myself! As I reflect on that time when I was in your shoes, I remember how recruitment seemed daunting at times. I can attest first-hand just how loved and supported you already are by our community.

Our Panhellenic community has evolved over the years and continues to flourish. This year, we welcome Kappa Delta as a reestablished chapter at TCU. Our community now represents one-third of the undergraduate population at TCU with our Panhellenic sisters are leaving their mark on campus and beyond, every single day. We are committed to empowering our members to reach their fullest potential through scholarship, friendship, leadership, and service. These core values have paved the way for countless Panhellenic women to become leaders in our community during their time as undergraduates and in their respective community's post-graduation.

From maintaining an average GPA higher than the all-campus GPA, hosting community-wide events, offering a variety of leadership and involvement opportunities, fostering meaningful friendships, facilitating career networking, and contributing to countless philanthropies, the Panhellenic sorority experience at TCU is filled with limitless opportunities and experiences and a place for everyone to find their home.

Thank you for considering joining our community. I eagerly anticipate the opportunity to meet each of you and support you every step of the way! Please feel free to reach out to me anytime!

Go Frogs & Go Greek!

*With Panhellenic Love,
Kylie Daly Pedersen*

From the VP of Recruitment Operations & the VP of Recruitment Programming

Dear Potential New Members,

Congratulations on taking the first step to joining our TCU Panhellenic community. You are about to embark on an experience like no other and we are excited to welcome you to an organization that allows every single woman to be their authentic selves. Both of us are excited to witness you grow through this process and see your amazing personalities come to light!

We, as the Vice President of Recruitment Operations (Katie) and Programming (Ella), are dedicated to making you feel comfortable, supported, welcomed, and loved through the entire recruitment process and time at TCU. We encourage you to be your authentic self throughout the entire process despite how overwhelming it may feel from time to time. It is easy to feel like you are someone you are not, but it is important that every single person gets to see how incredible you are for who you are. We are thrilled to have 13 chapters on our campus, as they all stand out and possess unique qualities. There are so many different types of women within our Panhellenic community and no two women are alike. All 13 chapters create a beautiful bouquet to create our incredible Panhellenic organization. We want you to know that you are in full control of your decisions during this process, despite it feeling daunting at times.

We are here for you and want to help support you in any way you need. Our community thrives by supporting one another, and accepting one another for who we are uniquely made to be. We are both so excited to serve in our recruitment positions and hope to grow into better versions of ourselves. If you need anything at all during recruitment, please do not hesitate to reach out to your Rho Gamma, us, or another member of the Panhellenic team. Get ready for the experience of a lifetime!

With Panhellenic Love,

Katie Harnen and Ella Fischer

It's All Greek to Me!

Active Member

- An undergraduate sorority or fraternity member who has been initiated by his or her chapter and is in good standing

Alumna or Alumnae (plural)

- An initiated member of a sorority or women's fraternity who has graduated or is no longer an active member but is in good standing with the chapter and remains a member for life.

Badge/Pin

- An insignia of fraternity or sorority membership worn by initiated members. Each NPC member sorority has its own badge.

Bid

- A formal invitation to join a sorority or fraternity. PNMs are only able to receive one bid during Panhellenic Formal Recruitment

Bid Day

- The last day of recruitment when a Potential New Member can receive an invitation (bid) to join a chapter.

Continuous Open Bidding (COB)

- A process where bids may be extended and accepted any time during the school year other than Formal Recruitment. A limited number of chapters are eligible to participate in COB, and if they do participate, they have very limited spots available.

Fraternity or Sorority

- A values-based, social organization typically designated by Greek letters.

Fraternity and Sorority Life (FSL)

- A department within the TCU Division of Student Affairs that advises the five governing councils: Interfraternity Council (IFC), Multicultural Greek Council (MGC), Independent Greek Council (IGC), National Pan-Hellenic Council (NPHC), and Panhellenic.

Initiation

- A ritual ceremony that brings new members into full membership of a sorority. Once a woman is initiated into an NPC sorority, she is ineligible for membership in any other NPC sorority.

Legacy

- A woman whose mother, sister, and or grandmother is an initiated member of an NPC sorority. Qualifying legacy status differs by organization.

Membership Recruitment Acceptance

Binding Agreement (MRABA)

- A document each PNM completes immediately following the events of Round 4/Preference stating her membership preferences for the chapter(s) she visited during this final round of recruitment. The PNM ranks the sorority/ies she would accept a bid from in preferential order. This is a binding agreement, stating that the PNM is willing to accept a bid from any chapter she lists on her MRABA. If she receives a bid to a chapter she lists and declines it, she is ineligible to join another Panhellenic organization at TCU until the next formal recruitment period. If she does not receive a bid, then she is eligible for Continuous Open Bidding. The MRABA is also used for continuous open bidding.

National Panhellenic Conference(NPC)

- The umbrella organization providing advocacy and support to its 26 international member organizations. TCU is home to chapters from 13 of these organizations.

New Member

- A woman who has accepted a bid to a Panhellenic chapter but is not yet an initiated member.

Philanthropy

- An organization's designated cause for which they serve and/or raise money.

Pledge

- A promise made by a new member to join a chapter. It is a verb and should not be used as a noun to describe a new member.

Potential New Member (PNM)

- Any woman interested in becoming a Panhellenic member who is eligible to participate in recruitment and join a chapter according to the Panhellenic Council requirements.

Preferencing

- Describes the process by which a PNM enters her priority preferences. This process occurs after rounds 1-3 of recruitment with the help of recruitment personnel. This is a cluster and ranking system where the PNM "clusters" a specific number of chapters she visited during that round and most wishes to return back to in the next round. She then "ranks" any remaining chapters she visited in that round in preferential order. A PNM must include all chapters she visited during that round of recruitment on her preferencing sheet.

Quota

- The number of Potential New Members to which each chapter can offer bids during formal recruitment. This is determined with a formula involving the number of chapters and the number of women participating in bid matching.

Recommendation or Reference

- A written letter or statement from an alumna following her organization's guidelines introducing and recommending a Potential New Member for membership.

Rho Gammas (Recruitment Guides)

- Panhellenic women of junior or senior standing who are carefully selected and trained to guide Potential New Members through the formal recruitment process. Rho Gammas temporarily disassociate (fully or partially) from their respective chapters to remain neutral during the formal recruitment process.

Single Intentional Preference

- When a Potential New Member who attended more than one event during preference round lists only one chapter on her MRABA thereby limiting her options for membership.

Strict Silence

- The period of time after the close of preference events and prior to the distribution of bids when there is no communication between Potential New Members and sorority women.

Total

- The allowable chapter size, as determined by TCU Panhellenic, that includes both new and initiated members. Chapters that fall under total are allowed to participate in Continuous Open Bidding until they reach total.

Scholarship

Academic Excellence is a vital aspect of Panhellenic membership at Texas Christian University. Scholastic standards are important for each chapter as well as the community as a whole. Programming, incentives, recognition, and ongoing support help sorority members pursue academic success. Academic achievement is the reason students are at TCU, and each Panhellenic organization has academic requirements and tools designed to help members be excellent students.

Leadership

Developing leaders for life after college is an important part of sorority involvement. Panhellenic sorority members participate in a variety of programs that provide leadership development. There are many ways to be a leader in TCU's Greek community including chapter or council officer positions, attending regional or national leadership conferences, campus-based leadership opportunities, and committee involvement.

Sisterhood

Joining a sorority is about building lifelong relationships that extend beyond ordinary friendships. Bonds of sisterhood are formed within an organization and provide TCU sorority members with a home away from home, mentorship, professional networking, and a sense of community at a medium sized university. Panhellenic sorority members enjoy connections that can provide support and celebration in life's most significant moments.

Service & Philanthropy

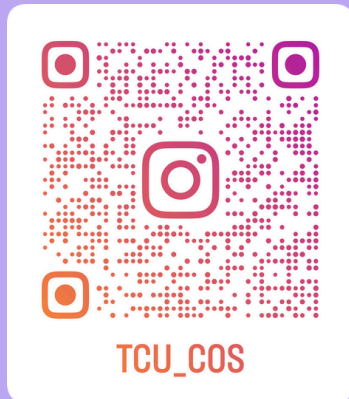

Service is a meaningful pillar of fraternity and sorority involvement at TCU. It is, perhaps, the most personally rewarding of the pillars as members are provided with opportunities to participate in hands-on volunteer work, raise awareness for important causes, and implement philanthropic events to raise money for charitable organizations. These opportunities ensure that sorority members will have an impact on their community and develop lifelong habits of giving back. The Four Pillars of Fraternity and Sorority Life

Circle of Sisterhood

TCU's Circle of Sisterhood stands as a Panhellenic-wide philanthropic endeavor, uniting each chapter on campus in a shared commitment to serve our community. Our mission is to raise awareness and funds to break down educational barriers for girls and women worldwide, particularly those facing poverty and oppression. As college-educated women, we recognize the profound impact we can make, both locally and globally.

The Circle of Sisterhood Club at TCU is dedicated to advocating for increased access to education. It provides an excellent opportunity to contribute to empowering women and girls, addressing educational disparities, and expanding resources for females globally. This inclusive club welcomes all students, regardless of sorority affiliation, who share our passion for these causes.

Joining the Circle of Sisterhood Club opens doors to meaningful engagement. We are ready for our fourth school build abroad and planning a Trek team to take internationally in the near future. If you're eager to make a difference, we encourage you to connect with us on engage.tcu.edu. Stay updated on our events and initiatives by scanning the QR codes below. Together, we can shape a brighter future for women and girls worldwide.

Panhellenic Executive Board

The Texas Christian University Panhellenic Association Executive Board comprises eight women representing various chapters within TCU's Panhellenic community. Each member is elected to fulfill a specific role aimed at benefiting the entire Panhellenic community. Weekly Panhellenic Council meetings are convened, attended by a Delegate and Associate Delegate from each of our 13 chapters. These gatherings foster collaboration on important matters such as event planning, acknowledging chapter achievements, and fostering unity within the Greek Community and TCU at large. Additionally, the Executive Board assumes the responsibility of serving as the Recruitment Team for formal recruitment.

Panhellenic Council

Established in 1902, the National Panhellenic Conference (NPC) serves as the overarching entity for 26 inter/national women's fraternities and sororities, 12 of which hold charters at TCU. Each chapter operates autonomously as a social, Greek-letter society composed of college women and alumnae. These organizations collectively represent over 600 college and university campuses and boast more than 5,300 alumnae associations across the United States and Canada, encompassing a global community of over 3 million sorority women. Upon joining one of the 13 NPC sororities at TCU, students also gain membership in the TCU Panhellenic Association. Within this framework, each chapter selects a Delegate and Associate Delegate to participate in the Panhellenic Council alongside the Panhellenic Executive Board. The TCU Panhellenic Council functions as the governing body of the TCU Panhellenic Association, orchestrating activities of common interest and concern for all sororities on campus.

Panhellenic Creed

We, as Undergraduate Members of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities. We, as Fraternity Women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenant by which we strive to live.

Rho Gammas

As you navigate Formal Recruitment as a Potential New Member, you'll be paired with a Rho Gamma—a TCU Panhellenic member selected through a competitive process. Rho Gammas temporarily step back from their own chapters to provide unbiased support, answering your questions and ensuring you have what you need throughout the process. They're your confidants, cheerleaders, and friends—here to guide you every step of the way!

What we wish we knew before college!

- “Get involved with a ton of organizations and programs on campus, the wider your network and reach the higher chance your going to find your people”
- “Go out of your comfort zone and join a bunch of clubs, talk to a bunch of people, everyone is in the similar boat as you.”
- “The transition is tough but so worth it. You’re getting your first taste of adulthood and that should be celebrated and enjoyed because tcu has such a wonderful community and city to be in but tcu is also some of the best education and finding balance is key. It’s four long yet short years that has so many memories and opportunities so cherish them. Remember that you can’t do it all but that doesn’t mean you’re missing out. You’ll find your routine and your people and then you get to enjoy life in the best place with the best people with the best school”
- “Leave your dorm room. Get out of your room daily and go do something on campus, with people in your hall, off campus, whatever. Freshman year can feel so isolating sometimes so put in the effort to go meet people so you can even just recognize people in your classes. Not everyone is going to be your lifelong friend but it’s nice to have familiar faces when you’re away from home.”

PNM ORIENTATION: August 7th

This Mandatory Recruitment Orientation for all women registered to go through Panhellenic Recruitment will begin at 10:30am (CST) and extend into the evening with time built in for meals and breaks. This will take place on the same day as Round 1 and will be completely virtual!

OPEN HOUSE/SCHOLARSHIP: August 7th

Goal: This round is designed to show you what each sorority values and represents in their chapter. Expect to learn general information about the chapter as well as what makes their sisterhood so special!

What to Expect: This round will consist of open house videos. PNMs will watch videos made by each chapter in place of typical Round 1 conversations. These videos will allow PNMs to get a glimpse into what each chapter's sisterhood is like and what makes their chapter unique. Be sure to take detailed notes after each video so you can differentiate between chapters when making your selections. This is also the round that chapters will heavily rely on the responses from the registration form, personality slide, and your academic record to make their decisions. This round will be completely virtual and will be done from home!

PNM MOVE IN & BAG PICK UP: August 10th

All women who have housing assignments through TCU and are participating in Panhellenic Recruitment will be permitted to move in at their assigned time slot on this day. Potential New Members will also drop by in the Campus Commons to pick up their PNM bags. These bags must be picked up during this time since they contain required items for Panhellenic Recruitment which begins the next day.

PHILANTHROPY: August 11th-13th

Goal: Learn how the chapter promotes service in our community and which philanthropy or cause they focus on. Feel free to share any previous community service or fundraising experiences you have had and what you hope to invest your time and energy in throughout college.

What to Expect: For Round 2, each PNM will receive an individual schedule during the daily meeting. A PNM can be invited back to up to 9 chapters, but it is not uncommon to visit fewer. You must attend every event on your schedule; otherwise you will face removal from the recruitment process. Round 2 will consist of in-person conversations between chapter members and Potential New Members, however we have prepared for the possibility of virtual conversations if needed.

LEADERSHIP & FINANCIAL TRANSPARENCY: August 14th-15th

Goal: Get to know how the chapter exhibits leadership within their organization, on campus, and in the Fort Worth Community. Chapters will share how their members are involved in outside organizations and explain internal chapter leadership opportunities. You are invited to share any previous leadership experience you have and how you hope to develop as a leader in college. During this round, chapters will also be providing a presentation on their chapter's finances. For more information regarding what this entails please see page 23 of the booklet.

What to Expect: For Round 3, each PNM will receive another individualized schedule during the daily meeting. A PNM can be invited back to up to 6 chapters, but again, it is not uncommon to visit fewer. Round 3 will consist of in-person conversations between chapter members and Potential New Members, however we have prepared for the possibility of virtual conversations if needed.

SISTERHOOD/PREFERENCE: August 16th

Goal: Evaluate how you feel in the chapter: Are these the women you want to spend your college career with? Do they value what you value? Do you want to call these women your sisters? Could this organization become your home for life?

What to Expect: Each PNM will receive an individualized schedule during the daily meeting and can visit up to 2 chapters. Round 4 will consist of in-person conversations between chapter members and Potential New Members, however we have prepared for the possibility of virtual conversations if needed. Attendance at all events is mandatory to remain eligible in the recruitment process. This round tends to be sentimental for active members, especially seniors, and emotions may be heightened. It is imperative to talk to your Rho Gamma about any concerns you have before you leave for preferencing as there is a strict silence policy from the time you sign the Membership Recruitment Acceptance Binding Agreement (MRABA) until bid distribution on Bid Day.

BID DAY: August 18th

If you have been offered a bid, you will arrive at the Schollmaier and find your Rho Gamma group. Your Rho Gamma will hand you an envelope containing your bid card. After a few words from members of our Executive Board, the Rho Gammas will reveal their affiliations. Then, you will be prompted to open your envelope and discover your new home! After opening your bid card, you will meet your New Member Class and walk together to where your new sisters will be waiting. Women who have not been offered a bid will be notified before the Bid Day gathering. However we have prepared for the possibility of virtual conversations if needed.

What is financial transparency?

We understand joining a Panhellenic sorority is not only a lifelong commitment but a financial one too. With this in mind, TCU Panhellenic and NPC embraced the Financial Transparency Program with the goal “to inform Potential New Members (PNMs) about the real costs of Panhellenic chapter membership prior to and during recruitment in a consistent way, allowing PNMs to make informed decisions about sorority membership.” With finances being an important thing to consider when joining a Panhellenic chapter, we hope this will allow individuals to understand exactly what their money is going toward and gain a better understanding of what your finances would look like as a part of a Panhellenic chapter. The financial transparency document for our community will be uploaded on our website in the “finances” section by July 3rd (<https://tcupanhellenic.com/finances-1>).

How will this be implemented in the round?

During Round 1 of Panhellenic Recruitment, chapters will be discussing their costs with Potential New Members. Chapters will do this by providing informational presentations that break down their chapter’s finances in a way that can be easily understood by PNMs. PNMs will also have an opportunity to ask questions and will be given a completed Financial Transparency Document which will contain summarized information, including a cost breakdown, from the chapter’s presentation. PNMs are encouraged to use

Attire

Round 1: Open House Videos

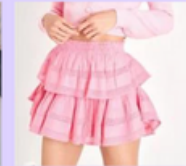

Since this round will not consist of conversations with active members there is no specific attire needed. Instead, you will be watching Round 1 Open House videos virtually so feel free to wear whatever you're most comfortable in!

Round 2 & 3: Conversations with Chapter Members

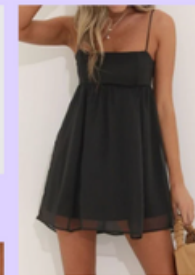

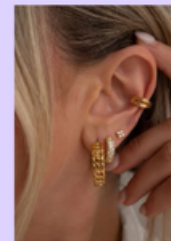

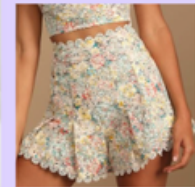

Attire for Round 2 is snappy casual. Panhellenic Recruitment t-shirts will be provided at PNM Bag Pick Up and must be worn during these rounds. We

recommend wearing cute bottoms, shoes, and accessories that you feel confident in + help convey your personality.

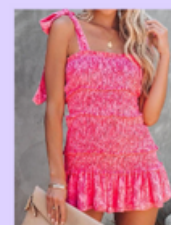

Make sure your outfit is comfortable enough for you to spend the day in! Round 3 is a little more formal and dressed up- there is no t-shirt for this round, so a cute set or sundress would be sufficient!

ROUND 2

ROUND 3

Attire

Round 4: Preference Round

Since Round 4 is more special and ceremonial, PNMs will wear nicer attire like a cute dress or jumpsuit. Think cocktail attire, cute business professional dresses, or dressing for a nice Sunday brunch. Outfits for Round 4 are most often worn with flats, wedges, or heels. Prom or party dresses are highly discouraged. Also, please note there is no need to go out and buy a new dress for this event unless you would like to do so. A past outfit from graduation, banquets, dances, etc. will work perfectly! This is the most formal round of recruitment! If you have more questions on what to wear, check out our Pinterest boards for more ideas!

- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> Outside of scheduled formal recruitment events, there shall be no contact (emails, text messages, phone calls, Facetime calls, social media, etc.) or gatherings (in-person, virtual, etc.) of any kind between active sorority members and Potential New Members from the start of recruitment until after bid distribution. The only individuals who are exempt from following this rule are familial sisters or those who have very close long-standing relationships. Acquaintances, for example, women who went to the same high school, are not exempt from this rule.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> It is permissible for Potential New Members and active members to acknowledge each other in passing, so long as no extended conversation results from said acknowledgment. RAs, Rho Gammas, Frog Camp Facilitators, TAs, and other leaders may have contact with PNMs within the context of their role and the conversation should never be about promoting or disparaging any chapter(s).
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> A strict silence period, which is where Potential New Members and active sorority members cannot have any contact, will be observed immediately following Preference Round and will extend until the start of Bid Day activities. Strict silence applies in all scenarios, including between PNMs and their family members, those with whom they have a long-standing relationship, Rho Gammas, and Panhellenic Executive Board members.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I should be fully aware of the financial obligations of membership before accepting a bid to a Panhellenic chapter. It is advantageous for the PNM to ask questions during recruitment events if there are questions or concerns about the costs of membership or chapter finances.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I am expected to wear my Panhellenic-provided t-shirt during the designated round and days of recruitment. I will abide by the clothing guidelines for each round of recruitment, which include not modifying the shirt in any way (i.e. cutting, tying, or altering the shirts in other ways) and wearing my pin while I am outside of my room.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I am expected to attend all required Frogs First activities
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I understand my rights as listed in the PNM Bill of Rights found below. PNM Code of Conduct

- **Potential New Member's Bill of Rights:**
 - The right to be treated as an individual
 - The right to be fully informed about the recruitment process
 - The right to ask questions and receive true and objective answers from recruitment counselors and members
 - The right to be treated with respect
 - The right to be treated as a capable and mature person without being patronized
 - The right to ask how and why and receive straight answers
 - The right to have and express opinions to recruitment counselors
 - The right to have inviolable confidentiality when sharing information with recruitment counselors
 - The right to make informed choices without undue pressure from others
 - The right to be fully informed about the NPC Unanimous Agreements implicit in the membership recruitment acceptance binding agreement (MRABA) signing process
 - The right to make one's own choice and decision and accept full responsibility for the results of that decision
 - The right to have a positive, safe, and enriching recruitment and new member experience

- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I understand that if I sign a Membership Recruitment Acceptance Binding Agreement (MRABA) at the conclusion of the Preference Round, and I receive a bid, then I am bound to that document and the chapter that extends a bid to me. This means that I am ineligible for an invitation to membership from another National Panhellenic Conference organization until the next primary recruitment at TCU.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I will utilize the Rho Gammas (Recruitment Guides), especially my assigned Rho Gamma, as my primary confidant and source of recruitment information during the recruitment process. Rho Gammas are trained to be the most unbiased, supportive, and experienced resource to discuss any and all recruitment concerns or questions. If they do not know the answer to a question or concern, then they know where to find it. They are disassociated from their own chapters and their sole purpose is to support PNMs throughout this process.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I understand that if I ask my Rho Gamma to share her affiliation with me that it could impact my perspective on my Recruitment process.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I understand that while my Rho Gamma may share her affiliation with me if I ask, she is still not in communication with her chapter during recruitment and has no control over my recruitment experience in her chapter including being able to advocate for me to receive invitations to further rounds
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I understand that if my Rho Gamma does share her affiliation with me when I ask, I should not share this information with any other PNMs to ensure every PNM is able to have the Recruitment

PNM Code of Conduct

experience they desire. If another PNM strongly wants to know this Rho Gamma's affiliation I will advise her to go speak to the Rho Gamma.

For any virtual recruitment activities, I will comply with each of the following expectations:

- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I must keep my video camera on and actively engage in conversations at all virtual recruitment events. If I turn off my camera or decide not to participate in a recruitment event, then I will be considered absent and am subject to removal from the Panhellenic Recruitment process.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> While attending a virtual event, I will not use a phone or computer for any reason other than to participate in the recruitment event on Zoom. This means silencing my devices, turning off notifications, and/or putting my device in "do not disturb" mode for the length of the event. By doing so, I will stay more engaged and respect the time and conversations that occur with active members in the chapters.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I agree to treat the chapter videos and virtual recruitment events as confidential. I will not take, share, or post a photo, video, audio clip, or any other form of digital recording of chapter event content. Furthermore, I will not take or share any streaming or video of virtual recruitment events, including a video in its entirety, or recordings, photos, clips, screenshots, audio files, and/or quotes from videos or virtual recruitment events. Many of the presentations that occur during Recruitment are private ritual traditions or personal stories from active members that are not for public viewing. This is also to protect the identity of active members and PNMs.
- *** << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I understand that any breach of this rule could result in disciplinary action.
- *** << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> If I see or have knowledge of any other Potential New Member or active chapter member failing to adhere to this rule, then I agree to report it to the Recruitment Team immediately
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> I will create a private space for attending my virtual recruitment events either by being in a space by myself or with the use of headphones. To ensure that each Potential New Member has a smooth, clear conversation with active members during virtual events, we strongly recommend the use of headphones for communication purposes. By doing so, PNMs will be able to block out external noise as well as provide privacy in conversations.
- << Do you agree to adhere to all parts of the PNM Code of Conduct? (type your initials below) >> Should I choose to violate any of the aforementioned agreements, I will be called into a meeting with Panhellenic Executive Board Members and/or Fraternity and Sorority Life Staff and will be subject to removal from the Panhellenic Formal Recruitment Process.

Violation of Rules

If you encounter or witness a violation of contact rules or any other recruitment rules, here's what you should do:

1. Gather specific details, including names, exact wording, and the setting of the incident. The more detailed, the better.
2. Keep the details confidential. Discuss the issue with individuals who can address and prevent similar situations, such as your Rho Gamma, Panhellenic Executive Board officer, a Fraternity & Sorority Life staff member, or email panhellVPRO@tcu.edu (the Vice President of Recruitment Operations).
3. We will make every effort to maintain the anonymity of those reporting the violation, and we ask that you do the same.
4. Don't worry about your chances of receiving a bid being affected. Have confidence that you're taking the right steps, which will contribute to preventing future unethical behavior in our community.

Frequently asked Questions

- **Which Panhellenic sororities are on TCU's campus?**

Alpha Chi Omega, Alpha Delta Pi, Chi Omega, Delta Delta Delta, Delta Gamma, Gamma Phi Beta, Kappa Alpha Theta, Kappa Delta, Kappa Kappa Gamma, Phi Mu, Pi Beta Phi, Sigma Kappa, and Zeta Tau Alpha.

- **What does it mean if I am a legacy?**

Legacy status with a chapter does not in any way guarantee a bid or an invitation to any round of recruitment. However, chapters are often aware if a PNM is a legacy to their organization and may consider this during the process. Being a legacy of one chapter does not have an impact on your invitations to other chapters. Chapters only have access to legacy information for their own organization and cannot see legacy information for other chapters.

- **What does accepting a bid entail?**

If you sign a Membership Recruitment Acceptance Binding Agreement (MRABA) at the conclusion of preference round, you are indicating that your willingness to become a member of any of the chapters you list on your MRABA. If you are offered a bid from any of those chapters, then you are ineligible to pursue membership with any other Panhellenic organization until the next formal recruitment at TCU, meaning you may not participate in Fall 2024 or Spring 2025 Continuous Open Bidding.

- **What are my chances of getting a bid?**

While we are proud to have retained the majority of PNMs in the Panhellenic Recruitment processes over the years, it is important to note that invitations and bids are never guaranteed at any point during recruitment. We strongly encourage all PNMs to keep an open mind throughout the process and embrace the idea of membership in any of our amazing 13 Panhellenic chapters. If you are nervous about receiving a bid, you can talk with your Rho Gamma, and she can help you better understand the process and your options.

Frequently asked Questions

- **Can I still be involved in other things on campus if I am in a sorority?**

Absolutely! Sorority women are some of the most involved students on our campus and many chapters require members to be involved in at least one other registered student organization. You will often see Panhellenic women serving as leaders in these organizations as well.

- **What does it mean to maximize my options?**

At the end of each round, you will have the opportunity to cluster and rank the chapters you visited in preferential order (this will be explained to you in more detail during the process). For the first three rounds of recruitment, you **MUST** list every chapter you visited that round. Once you have attended Preference Round, you are not required to list every chapter that you have visited that round; However, if you maximize your options by listing every chapter, you are more likely to receive a bid from one of the chapters you have listed. For example, if you visited two chapters on preference round and you list both, you will have maximized your options. Conversely, if you only list one, you will limit your options and decrease the likelihood of receiving a bid.

- **How much time does being in a sorority take?**

Being a member of a sorority is a responsibility, and like most responsibilities, it takes time. While the amount of time you need to dedicate to the chapter may vary with your level of involvement, all members will be required to attend service-based events, ritual events, weekly chapter meetings and have the option to attend social events. Most New Member Classes are required to attend additional meetings to learn more about the organization. Your experience will not be as meaningful without commitment to these expectations. They will bring you closer to your sisters and your organization.

- **How is the format of recruitment changing?**

We are excited to merge the unique benefits of virtual and in-person recruitments to create a hybrid model that best supports our growing community. Round 1 will be fully virtual and will consist of comprehensive chapter videos and supplemental PNM registration information including a PNM resume and Personality Slide. Rounds 2-4 will consist of in-person conversations between chapter members and Potential New Members, however, we have prepared for the possibility of virtual conversations if needed.

How Recruitment Works

Mutual Selection:

1. After each round, prioritize the chapters you want to revisit and rank the ones you prefer least.
2. Chapters also submit their preferences after each round.
3. Your preferences and the chapter selections are matched, and you'll receive your schedule for the next round.

Membership Recruitment Acceptance Binding Agreement (MRABA):

1. After your final Preference event, rank the chapters you visited in order of preference and sign the MRABA. Once submitted, it cannot be altered.
 2. The MRABA is a binding agreement for one year. By signing, you agree to accept a bid from any sorority you ranked. You won't be eligible to join another Panhellenic organization until Fall 2025.
 3. Before signing, consider your options:
 - You can choose not to complete the MRABA and withdraw from recruitment. You may still receive bids through Continuous Open Bidding (COB), though it's not guaranteed.
 - You can list all sororities you're willing to accept a bid from.
 - You can list only one or two sororities, but understand that this limits your options.
- **Please note, it is possible to not be invited back to chapters in your most preferred cluster and to be invited back to chapters in your least preferred rankings.**

- Beta Delta is Texas Christian University's chapter of the Tau Beta Sigma National Honorary Band Sorority. Our members are dedicated to serving the TCU Band and the Fort Worth community. Each year Beta Delta serves the TCU Band in countless ways, including distribution of uniforms, School of Music Auditions, and bus and stands clean up after marching band performances. In addition to this, we also do music based service projects throughout the Fort Worth schools and community. We are a group of women and men who are passionate about band, service, TCU, and the community around us!
