If you are in these sororities feel free to spread the word. Of the eligible girls, only a handful have reached out with interest.

All the RC's were asked about their comfortability on having a video for round 1. Please communicate with your recruitment chair on their opinions because voting will be coming soon.
 - iii. Positive panhellenic contact is officially allowed, but if you are reaching out to women, please be reaching out to everyone rather than women you just want in your chapter. For those of you who do not know what that is, you are welcome to contact incoming freshmen to encourage them to go through our formal recruitment process in the fall. Please do not say "I am (blank affiliation), make it very general for Panhellenic as a whole.

- i. Hi! Please make sure your chapter members are filling out the service hours form - these responses are important! I will be emailing all chapters this week with how many members in their chapter have filled it out.
- ii. Spotlight weeks: I have sent out emails to everyone when their spotlight week is. Especially if yours is coming up - please let me know what your chapter plans on doing! I am more than happy to help you plan or come up with ideas so please reach out or come to office hours, I am here for you!
- iii. I mentioned this interest form last meeting and am attaching it again. Please share this with your chapter members. It is a quick and simple form so I would really appreciate at least 75% completion from each chapter! Thank you to everyone who has filled this out already.

Office Hours: Tuesday/Thursday 10:00 am – 11:00 am
 - i. Hi everyone! I hope you are having a great week; I know a lot of people were super overwhelmed last week so hopefully this week is a bit slower!
 - ii. Last Wednesday I sent the invoice for your spring 2022 dues to you, your president, and your finance chair. I have received a lot of questions regarding the number of participants, so I wanted to clear some things up:
 - 1. The number presented is what Panhellenic has on record from your most recent update. Someone within your chapter is meeting with Amy to update this roster at least once a semester.
 - 2. If this number is inaccurate, this is a result of your chapter member not meeting with Amy to update it. I am not in charge of or allowed to access this roster, so please pass on that this number should be updated by meeting with Amy.
 - 3. Finally, the number of participants is ONLY ACTIVE MEMBERS! Please pass this along as I've gotten a lot of emails regarding whether or not inactive members are included- they're not.
 - a. Phi Mu asks how much they should meet with Amy and who is in charge of that
 - b. Devin says that information is communicated through the president and that they need to contact her as often as the roster changes, and if these number are wrong, that is indicative of something needing to be updated within your own chapter.
 - iii. The invoice is due April 14th, and any questions regarding the total number of members should have been addressed by today.
 - iv. You guys are the best! Thank you for being so supportive and kind this past month- you make it all worth it!
- e. **Vice President of Public Relations – Jaydn Zielinski (tcupanhellvppr@gmail.com)**
Office Hours: Monday 11:00 am – 1:00 pm
 - i. Hi! No major announcements, just order merch!
 - ii. Remind chapters that recruitment booklet needs to be submitted soon!
- f. **Vice President of Service and Philanthropy – Emily Duplock (tcupanhellvpp@gmail.com)**
Office Hours: Thursday 9:45 am – 11:45 am
 - i. Hi everyone! A few things on the school build:

1. How have discussions gone with your chapters?
 2. Does anyone have any questions/comments/concerns?
 - a. Chi Omega asks what the timing looks like for this process
 - b. Phi Mu asks about how to go about deciding what location
 3. How can I help you in regard to making decisions/ having discussions?
