

OPRA Request #3636

**oprarequests**  
**<oprarequests@counsel.essexcountynj.org>**

Tue, Aug 27, 2019, 10:01  
AM

to me

Good morning. There are no records responsive to your OPRA request. Please see Parks Department comment below:

There is no document that established South Mountain Reservation's size and boundaries. The Reservation's current size and boundaries have come to be through a 125 year process. If the requestor wants to research that process, he may set up an appointment to visit the Parks Archives.

Thank you.

Matthew Dooley  
Essex County OPRA Office
