

ABOUT FOOTSTEPS

The Footsteps Program offers activities for children aged, 5– 12 years, on Saturdays from 1 pm – 3 pm (online). There will also be in-person activities on Saturdays from 1 pm - 5 pm for children 0 to 12 years.

The location will be confirmed shortly.

The **goal** is to help nurture and care for children while lending a hand to young mothers and parents.

Duration: September to August (closed Christmas, New Year, Easter and other holidays)

Updated location: Zoom, gradual in-person sessions and outings (to be announced)

Parents can stay during the activities or take the opportunity to leave their children in a safe and nurturing environment over the stated times.

Qualified staff from the Jamaica Association of Montreal and educators from the Corporation de développement Communautaire de Cote-des Neiges are present to ensure that all the children are safe and learning.

For in-person activities, parents are required to bring the necessary items for children which include diapers, as needed, and any other item. It is also the parent's responsibility to ensure that all the necessary information such as allergies, and other important matters regarding their child(ren) is shared with the staff.
