EDUCATION

Providence College — *Providence, RI*

Bachelor of Science; Double Major Health Policy and Management & Biology

Expected in May 2026

WORK EXPERIENCE

Providence College (Paid) — *Freshmen Resident Assistant (RA) (Aug. 2022 - Present)*

- 1 of 11 freshman RAs piloting the freshman RA program at Providence College.
- Supervise and respond to complaints, safety concerns, and building maintenance for 50 residents.
- Inform and encourage residents to attend school-sanctioned events to cultivate a welcoming environment.
- Attend weekly meetings with the Office of Resident Life and Housing (ORLH) to discuss improvements to the program.

Harbor SEALs (Paid Internship) — *Senior Data Analyst (Nov.2021 - Jul.2022)*

- Analyzed and categorized washed-up debris on Governors Island's rip rap.
- Wrote grant proposals and acquired budgets upwards of \$10,000 from ConEdision.
- Engaged in weekly team meetings to project manage and communicate with sponsors such as The Hudson River Foundation, Earth Matter, NYU Gallatin, ConEdison, and The Governors Island Trust.

ENRICHMENT

Board of Programmers (BOP) – *Tuesday Timeout Committee (Apr. 2023- Present)*

BOP is responsible for all campus events, serves to cultivate a community across all grades through shared experiences

- After a written application and interview with executive board members, I am a part of 30 new members out of roughly 100 applicants.
- This committee is responsible for brainstorming event ideas, managing budgets, securing vendors and supplies, and facilitating all Tuesday events on campus.

SACNAS Providence College Chapter – *Executive Board Social Media Manager (May. 2023- Present)*

Society for Advancement of Chicanos/Hispanics & Native Americans in Science (SACNAS) is a new club on campus hoping to connect Hispanics and Native Americans to networking, research, and career opportunities

- Created a new Instagram platform for the club amassing roughly 40 followers within a month.
- Facilitate meetings with other board members to discuss outreach strategies.
- Plan to create Instagram posts and flyers to advertise events facilitated by our club.

MedGirls Blog – *Co-Founder (May. 2022 - Present)*

A platform from two aspiring healthcare workers to invigorate conversation about underrepresented groups' health

- Conduct interviews with various demographics to amplify underlying health concerns among communities.
- Created a platform for other aspiring healthcare workers to share their work on health concerns.
- Introduce our readers to books following our mission to destigmatize and educate the public on health concerns.

Brooklyn District 38 Youth Committee — *Co-Founder and Outreach Manager (Jun.2020 - Aug. 2022)*

- Facilitated communication between team members and affiliated community organizations e.g. Academy of Medical and Public Health Services (AMPHS), Genspace, and Mixteca.
- Reported to District 51 council member Alexa Aviles to aid the community through outreach and government support to serve and engage the youth demographic.
- Volunteered at vaccine registration, phone banking, medical translation, and food drives for roughly 50 hours.
