

“we want TO PLAY KICKBALL! now WHAT?”

Community Inclusive Recreation
and its participants can't wait to see you
out there on game day! Before that happens
there are a few other things to take care of.
Here is what you need to know...

• **Submit Registration & Start Recruiting Your Players!**

Use the provided signup sheet to post in a busy area at your location, and encourage participation by sharing it on social media or in email with your employees.

Welcome employees to invite their family and friends to join the team if your group is small. Teams of varying sizes welcome - we can help fill the gaps with others from the community.

• **Registration & T-shirt Sizes Deadline: September 1st**

Be sure to get your payment and registration form (provided in this packet), submitted with ALL of your Tshirt sizes by the due date to ensure a shirt for each player. If a size is not provided for a player, it will default to XL.

Share the rules (provided in this packet) with the players ahead of time.

• **Meet & Greet**

Thursday, September 17 | 5:30pm | 331 Jackson St. W.

Come to CIR and meet the All Star players that will be joining your team on game day. Share a light meal and refreshments while getting to know your team mates. Don't forget to take home your Tshirts for the big day!

• **Have FUN Kicking Up The Dust**

Sunday, September 20 | 11:00am Registration & 12:00pm 1st Game | 1392 Capital Ave NE

Ensure all players have signed the Liability Release Form upon arrival and submit.

Team captains will meet prior to the tournament beginning.

We encourage sharing on social media during and after the event!
