THE OFFICIAL NEWSLETTER OF THE FORT WOOD COMMUNITY SPOUSES' CLUB

## LOOKING AT FEBRUARY FOR FWCSC:

### A MONTH THAT THAT MATTERS

February may be the shortest month of the year, but for the Fort Wood Community Spouses' Club, it is one of the most important and impactful. As we move into this busy season, February represents both a time to look ahead and a final opportunity to make a meaningful difference this membership year.

One of the most exciting milestones this month is the opening of Executive Board nominations for the 2026–2027 membership year.

FWCSC thrives because of passionate, dedicated volunteers who step forward to lead, support, and serve our community. If you have ever considered getting more involved, or know someone who would be a great fit, this is the moment to raise your hand. Serving on the Executive Board is a rewarding way to build leadership skills, form lasting friendships, and help shape the future of our club.

February is also critical for another reason: it marks the final push for our biggest fundraiser of the year, the Roaring Hearts Speakeasy and Basket Auction, happening on February 28th. This event is more than a fun night out; it is the cornerstone of our philanthropic efforts. One hundred percent of the proceeds from the Basket Auction go directly toward grants and scholarships, supporting military spouses, families, and community initiatives right here at Fort Leonard Wood and beyond.

February reminds us that FWCSC is powered by community—by members who show up, step up, and support one another. As we look toward new leadership and make our final fundraising push, we invite you to be part of this important moment. Together, we can finish the year strong and set the stage for an even brighter future.

Thoughts From Our Fearless Leader

Dear FWCSC members,

I hope you all made it safely through the snowstorm and are enjoying at least a little bit of this beautiful winter wonderland around us.

The first month of 2026 has already flown by, and we are now moving into the busy and exciting phase leading up to our Basket Auction on February 28, 2026 at Nutter Field House. There is a lot happening behind the scenes, and we are looking forward to a wonderful event.

I know that things may feel a bit unsettled right now, especially regarding Sub-clubs. We are still waiting on additional guidance and information, and we truly appreciate your patience and understanding as we work through these updates. Please know that we are doing our very best to navigate everything carefully and responsibly, and we will continue to keep you informed as soon as we receive clear direction.

In the meantime, we have a fantastic Mixer coming up this month at Route 66 Taco & Wings Company, and I truly hope to see many of you there. It will be a great opportunity to relax, connect, and enjoy time together.

We are also looking for volunteers to support our Basket Auction. If you would like to help, please reach out to us. We are grateful for every bit of support. This event plays a vital role in helping our Grants & Scholarship Program grow and thrive, and our goal this year is to reach \$50,000. Guests can look forward to a fun evening featuring both a Live Auction and a Silent Auction, along with interactive activities and games throughout the event.

Thank you for being part of this community and for your continued support. We are committed to keeping FWCSC moving forward and will continue sharing updates as they become available.

Until then, stay warm, stay safe, and take care.

In Service,

*Roksana Mass*  
FWCSC President

*P.S. Has your spouse already asked you to be their Valentine yet ?*

## BEING CALLED TO SERVE

Serving on the Executive Board of a spouses' club is more than just holding a title — it's helping shape the heart of the community. Board members play a direct role in creating events, supporting philanthropic efforts, welcoming new families, and ensuring the club continues to grow and thrive.

When you step into a leadership role, you help set the tone, bring fresh ideas to life, and make a lasting impact on fellow spouses and the broader community. It's a chance to build friendships, develop skills, and serve in a meaningful way.

If you've ever wanted to make a difference, this is your moment to step up and get involved.

# COMMUNITY CORNER

## Share the Love this February!

February is the perfect time to lean into what makes our community so special—service, connection, and heart. As we move through this season, we're reminded that small acts of volunteering can make a big impact. Whether it's lending a hand at an event, supporting one of our philanthropic efforts, or simply showing up to help, every contribution matters.

Our Fort Leonard Wood community thrives because of members who step forward with generosity and spirit. This month, we invite you to get involved, give back, and be part of something meaningful. Together, we continue building a stronger, more connected community—one volunteer opportunity at a time.

## Local Veteran Owned Business Spotlight: The Office Cigar Lounge & Bar

If you haven't been to The Office Cigar Lounge & Bar yet, this is your sign.

Owned and operated by local combat veteran Devin Lassen and his combat veteran partners, The Office is one of those places that instantly feels comfortable, like it's been part of the community longer than it has. It is warm, welcoming, and refreshingly unpretentious. Whether you are a seasoned cigar lover or someone who's always been a little curious but didn't know where to start, you will fit right in.

Devin and his partners built The Office with one simple goal in mind: create a place where people can slow down, put their phones away, and actually talk. Inside, you'll find cozy seating, rich wood details, and an atmosphere that invites you to stay awhile. Conversations start easily here, often with a casual, “What are you smoking?” and it's not uncommon to leave having made a new friend.

One thing people love most about The Office is how approachable it feels. No cigar knowledge required. The staff is always happy to walk you through options, explain flavors, and help you find something you'll enjoy—no pressure, no intimidation. Just mutual respect and a desire to share knowledge.

Community matters deeply to Devin, which is why The Office is proud to be a Platinum Sponsor of the upcoming FWCS Basket Auction. In true generous fashion, Devin is donating an incredible package that includes a full year's membership, a curated collection of select cigars, and a private whiskey tasting for four—a seriously standout experience and one that is perfect for a double date or an evening with close friends.

Supporting local and veteran-owned businesses doesn't get much better than this. Whether you stop in for a quiet evening, a Tuesday night cigar social, or just to see what the buzz is about, The Office Cigar Lounge & Bar is well worth a visit. You will be glad you did.
