MOVING AHEAD WITH HEART

A Look at What 2026 Holds for FWCSC and Our Community

As we step into 2026, we're filled with excitement, gratitude, and big hopes for the year ahead. The Fort Wood Community Spouses' Club continues to be about what it has always been—connection, community, and caring for one another—and this year we're leaning into that more than ever.

Our goals for 2026 are simple but meaningful: create welcoming spaces for our members to connect, expand our visibility and impact within the community, and continue giving back through our grants and scholarship programs. We're committed to offering events and opportunities that bring people together—whether that's over coffee, crafts, service projects, or a night of laughter and fun.

We also remain deeply focused on supporting our members. Military life can be unpredictable, and FWCSC exists to help make this chapter feel a little more connected and a lot more supported. Whether you're brand new to the area or have called Fort Leonard Wood home for years, there is a place for you here.

None of this happens without the incredible energy and heart of our volunteers and members. Your involvement—showing up, lending a hand, sharing ideas, and encouraging one another—is what makes this club thrive.

As we look ahead, we invite you to jump in and help us make 2026 a year full of connection, purpose, and fun. We are so glad you are here—and we can't wait to see what we accomplish together.

Thoughts From Our Fearless Leader

Dear Members,

Happy New Year! On behalf of the entire Board of Governors, I would like to wish you and your families a blessed, healthy, and successful start to the wonderful new year of 2026. We hope the holidays have brought you joy, rest, and time with loved ones and that you are ready to step into January with fresh energy and new goals.

The year is already off to a busy and exciting start for the FWCSC. Our Sub Clubs are jumping right back in after the holidays:

- Bunco kicks things off on January 2
- Cooking Club follows on January 13
- The Outdoor Adventures Club invites you to a group Zumba class at Davidson Fitness Center on January 17.
- The Book Club also meets on January 27, and I have to say reading three full books over the past two months is impressive. Well done!

In addition to our social events, January is also about giving back. On January 9, we will host our Blood Drive, a simple but powerful way to support our community and save lives. If donating blood is not an option for you, we also invite you to support Snack in the Pack, one of our most meaningful outreach programs. We are currently in great need of volunteers. Completing a background check allows you to help directly and makes a real difference for local children and families. Whether you donate blood or volunteer your time, every contribution counts.

Looking ahead, please mark your calendars for February 28, when we will host our Annual Basket Auction, our second-largest event of the year. This year's theme, "Roaring Hearts Speakeasy," promises a fantastic evening, and planning is already well underway. More details will follow soon and trust us, you won't want to miss this one!!

For those who want to combine fitness with purpose, we are also participating as a group in the GWOT 100 Challenge (Global War on Terror Memorial Foundation). This free challenge encourages you to stay active while supporting a great cause and we would love to see strong FWCSC participation.

As we move through the colder weeks of January, stay warm, take care of yourselves, and be kind to one another. Best of luck with your New Year's resolutions, whether they involve fitness, balance, personal growth, or simply making more time for joy.

Thank you for being such an engaged and supportive community. We are excited for everything this year has in store and look forward to sharing it with you.

FWCSC GRANTS & SCHOLARSHIPS: APPLICATIONS ARE NOW OPEN

One of the most meaningful ways the Fort Wood Community Spouses' Club gives back each year is through our Community Grants and Scholarship Program—and we're excited to share that applications are now open.

Thanks to the incredible support of our members, volunteers, vendors, sponsors, and community partners, FWCSC is able to reinvest funds raised throughout the year directly back into the Fort Leonard Wood region. These funds support local students pursuing higher education and organizations making a difference across Pulaski County and surrounding communities.

Our scholarship program is designed to help dependents and spouses of active duty, Guard, Reserve, retired service members, and Department of Defense civilians begin or continue their educational goals. Whether a student is heading to college for the first time or continuing their education, these scholarships help ease the financial burden and open doors to new opportunities.

Our community grants are available to schools and nonprofit organizations serving Pulaski County and neighboring areas. Grant funding supports programs that strengthen families, improve access to education, promote wellness, and enhance quality of life throughout our community.

We encourage eligible applicants to take the time to review the application requirements and submit a complete application by the posted deadline. Incomplete applications cannot be reviewed, so attention to detail is important.

If you know a student, school, or organization that could benefit from FWCSC support, please help us spread the word. Every application represents a story, a goal, and a chance to make a lasting impact—and we are honored to be part of that journey.

To learn more about eligibility, deadlines, and how to apply, visit www.fwcsc.com. Together, we continue to invest in education, community, and the future of those who call Fort Leonard Wood home.

Recipe Corner

Hearty Pastina Soup

This easy and hearty soup is the perfect dinner on a cold winter day!

Ingredients

- 3 cups water
- 1 ½ teaspoons Better Than Bouillon Roasted Chicken Base or vegetable, if preferred
- 1 small carrot peeled and cut in half
- 1 small celery stalk cut in half
- ½ small onion peeled
- 2 garlic cloves smashed
- ½ cup pastina or tiny star-shaped pastina
- 2 tablespoons unsalted butter
- 1 ounce about ⅓ cup freshly grated Parmigiano Reggiano stirred into soup, plus extra for serving
- Salt and black pepper to taste

RECIPES WANTED

Have a favorite recipe you want to share? We would love to feature your favorite winter recipes in the next issue.

Send your recipes to
fwcscpublicrelations@gmail.com

Instructions

- In a medium saucepan, combine the water, Better Than Bouillon, carrot, celery, onion, and garlic. Bring to a gentle simmer over medium heat and cook for about 10 minutes, until the vegetables soften.
- Remove the vegetables using a slotted spoon or fine mesh strainer.
- Add the pasta directly to the simmering broth. Cook for 6-7 minutes, stirring occasionally, until tender and slightly thickened.
- Turn off the heat. Stir in the butter until melted, then mix in the Parmesan until the soup becomes smooth and silky.
- Season with salt and pepper. Spoon into bowls, top with extra Parmesan or a drizzle of olive oil, and serve warm.

Enjoy!
