FEBRUARY 2nd MEETING

The January meeting was suddenly cancelled due to the inclement weather closing down our meeting place at the Fond du Lac American Legion ...so let's get together in February! We have pushed the program for that evening to our February 2nd meeting. We have invited two local high school fishing clubs to join us at the meeting. Professional guide, Paul Klein, will be introducing the young fisherman and fisherwomen to musky fishing. He will be giving them some insight to the lifelong sport and what it takes to get started. After Paul's introduction, we will work with the students building their own early season bucktail. We hope to spark their interest in the sport and the resource. There will be a selection of different blades and different colored tinsel's. Put your imagination and creativity caps on and participate in this activity. It will give you an opportunity to build that "perfect lure".

UPCOMING ACTIVITIES

1. Watch for your official Notice/Invitation to The Annual WinnebagoLand Musky Club Awards Banquet. The banquet is Saturday March 26th, at the American Legion Building. Payment in advance is needed for planning. Pay with your dues to make it easy.

Dues are Due

As a reminder, 2022 dues are due. No raise in dues, \$20 single and \$25 for a family. The WMC is doing well, and with the pandemic limitations experiencing minor disruptions. Our desire to support musky resources and our community is still there. Don't drop your membership, just keep the faith that this COVID thing goes away soon. Please pay at a meeting or by mail. Pay with your Banquet fee to make it easy.
