

# Prayer Before Driving

Lord and Author of my life, before  
I take the wheel, I ask thee to help  
me use my car in serenity, caution  
and discipline. Take from me the  
spirit of impatience, selfishness and  
negligence. Let thy angel of peace  
and faithful guide guard me  
against all dangers of the road and  
keep me unharmed.

Protect those who accompany me  
and deliver us all to safety. Yea, O  
Lord and King, grant me steady  
hands and strong insight that I  
may cause not harm, damage or  
death to innocents.

Through the intercessions of Thy  
most Holy Theotokos, St.  
Christopher and all thy Saints.  
Amen.
