

# EMPLOYMENT ADVOCATES GROUP SUPPORTED EMPLOYMENT

We are committed to assisting adults with learning disabilities achieve their highest level of independence and self-worth by providing the needed support and encouragement to join the workforce.

## Job Development

Our Supported Employment Services ensure each client receives employment opportunities aligned with their interests and capabilities at a competitive wage.

## Job Placement

A personal job coach will guide the way and assist with application completion, interview preparation, job offer negotiation, and initial work planning. A job coach helps set the path to success.

## Job Site Training & Advocacy

Individual training plans are created for each unique client. Job site training frequently focuses on performing job-specific tasks at consistent levels. Your personal Job Coach may also assist in securing needed site accommodations or equipment.

## Ongoing Assessment

A Job Coach continues to work with the client, employer, family, and co-workers to ensure success. Proactive performance management ensures quick integration and job satisfaction.

## WHAT OUR CLIENTS SAY:

*My job coach has helped me learn so many skills that I need for a job. This helped me get accepted into college and obtain my driving permit.*  
-EAG Client

## About Us

Employment Advocates Group is a community-based organization for adults with developmental and/or physical disabilities who require support to lead independent, dignified lives.
